## BONNEAUVILLE CURVE SCENE FOR \$20,000 TRUCK CRASH

A tractor-trailer loaded with 16,700 pounds of mushrooms smashed into trees and an electric company pole in Bonneauville Monday night at 10:55 o'clock causing \$20,000 damage to the refrigerated truck, trees, poles and the mushrooms.

State police said Clarence Uffelman Jr., 39, 271 Locust St., Hanover, was driving a tractor-trailer owned by Krohn Refrigeration Express, Sumner, Iowa, west through Bonneauville and ran off the curve at the western edge of the village.

The heavy vehicle plowed into trees at the property of Joseph Carbaugh and Leo Gebhart, ripping limbs off three trees, breaking down a tree and an electric pole.

The tangle of broken lines and trees ripped off the back of the trailer and large quantities of mushrooms, originally bound for processing at the Campbell Soup Co. plant in Chicago, were sliding out onto the lawn and road.

The tractor-trailer, limbs, poles and trees became so enmeshed that one tree had to be cut down to permit removal of the trailer.

An emergency call was made to the Pitzer Trucking Co., Aspers, and a vehicle was secured to push the salvagable part of the load of mushrooms to refrigeration. State police from Gettysburg are investigating.

## CUMBERLAND MAYCUTTAXON AMUSEMENTS

Cumberland Twp. is planning to reduce its amusement tax from five per cent to two per cent, according to legal advertisements appearing in the Gettysburg Times.

Earlier this year the township adopted an ordinance calling for a five per cent levy on admissions to all "amusements" in the township including "but not limited to" theatrical performances, motion picture exhibitions, swimming or bathing pools, amusement parks, museums, golf courses and any other form of diversion, sport, pastime or recreation for which an admission is charged or paid.

The tax is designed to finance the work of the Cumberland Twp. Planning Commission.

Act December 7  
According to the legal notice, the supervisors plan to adopt the new ordinance at a meeting December 7 and the new rate will go into effect January 4.

According to the ordinance, the operators of amusements will be responsible for the collection of the two per cent tax on admissions and must pay the tax "on or before" the 15th of the month following the collection of the tax. Penalties include fines up to \$100 or 90-day jail sentences in default of fines.

A spokesman for the Cumberland board said the decision to lower the tax came after the township had had an opportunity to study the probable eventual cost of township planning and the estimated income from the amusement tax.

According to the notice, the township anticipates about \$5,000 income annually from the two per cent tax.

## PUC Reduces Gas Rate Rise

HARRISBURG (AP)—The Public Utility Commission today granted the Manufacturers Light and Heat Co., Pittsburgh, an immediate \$2,106,000 a year rate boost.

The increase was about 57 per cent less than the firm had requested 10 months ago. The firm's original request was for \$4,855,000.

The commission action upheld complaints by the City of Pittsburgh and a number of industrial users and other communities.

The firm serves 253,000 customers in 25 counties.

### STAG MEETING TONIGHT

The Gettysburg Country Club will hold its monthly stag this evening at the clubhouse at 8 p.m. A meeting of the golf committee at 7 p.m. will be followed by a board of directors' meeting. A buffet will be served.

### LOCAL WEATHER

Yesterday's high 53  
Last night's low 27  
Today at 8:30 a.m. 39  
Today at 1:45 p.m. 55

## Open House At Two Schools Thursday

As part of the local observance of National Education Week, "open house" will be observed at the Keefauver and Eisenhower Elementary Schools from 7 to 9 o'clock Thursday evening with special invitations to parents to visit classrooms this week.

Parents of First and Second graders were invited for Monday afternoon. On Wednesday afternoon from 1 to 3:15 o'clock, parents of Third and Fourth graders are invited to visit schools. The parents of Fifth and Sixth graders are invited Thursday afternoon at the same hours.

The "open house" Thursday evening will take the place of the monthly meetings of the elementary PTA groups involved, who will serve refreshments at each school building that evening.

No "open house" is to be held at Lincoln School, currently in temporary use.

## "FIRST LADY" IS HONORARY MEMBER OF Y

Mrs. Dwight D. Eisenhower, wife of the President of the United States, has accepted an honorary membership in the YWCA, it was announced at the monthly meeting of the board of directors of the YW Monday afternoon at the monthly meeting of the board of directors of the YW Monday afternoon at the Y.

Mrs. Paul L. Reaser, president, who presided, announced the acceptance in a letter addressed to Mrs. Reaser and Mrs. Fred G. Pfeffer, chairman of the membership committee, which read as follows:

"Thank you for your extremely kind letter. I appreciate very much your thoughtfulness in naming me an honorary member of your Young Women's Christian Association of Gettysburg. The Young Women's Christian Association is an outstanding organization and, of course, I shall be interested in reading of your program activities in Gettysburg. With best wishes, Sincerely, Mamie Doud Eisenhower."

Devotions were conducted by Mrs. Frank Hewelson, using a Thanksgiving theme.

Coffee Hour Wednesday  
There will be a coffee hour at 10 a.m. Wednesday morning and color slides of the "American Idea," "an ideal home," sponsored by the Celanese Corp. of America, will be presented.

(Continued On Page 3)

## TRAVEL UNITS TO MEET HERE ON PROMOTIONS

Preliminary plans for "regional" travel promotion were outlined Monday evening at meetings of representatives of the Travel Councils of Gettysburg, York, Lancaster and Hershey at the Hotel Yorktowne, York, Monday evening.

Each travel group will send five representatives to a meeting in the Hotel Gettysburg November 30 to discuss of ways in which all can cooperate to promote travel throughout the entire area.

Harold Swenson, vacation and travel agency director for the state department of commerce, outlined the manner in which the various Travel Councils in the Pocono Mountains area work together through the Pocono Travel Agency to promote the entire area.

Swenson said, "Our problem is the fast traveling tourist who (Continued On Page 2)

## Arendtsville Contestant Wins Top Grid Award On Feature Game Prediction

Five participants in the sixth weekly football contest conducted by The Gettysburg Times and 17 cooperating merchants named 13 of 17 winners but Harry Peters Jr., Arendtsville, predicted the closest feature game point total, 30, to win the top award of \$15.

The feature game total was 33, Carlisle defeating Gettysburg High 27-6.

Edna Eyler, 366 N. Fourth St., took second prize of \$5 on feature game prediction of 28.

Winners of the five \$1 awards are: Mrs. R. E. Sheads Jr., 26 Barlow St., 13 correct, 26 points; Nerle L. Hankey, R. 2, 13 correct, 26; E. R. Raffensperger, 13 correct, 21; Bruce Hartman, Biglerville R. 2, 12 correct, 35; June Bigman, N. Main St., Biglerville, 12 correct, 28.

Three other contestants selected 12 winners with two listing 28 points for the feature game and

## At Soroptimists' Birthday Dinner

Pictured at the 21st anniversary banquet of the Gettysburg Soroptimist Club Monday evening at the American Legion home here are Mrs. George Eberhart, first president of the club; Mrs. Michael Shapiro, Washington, D. C., guest speaker for the evening; Mrs. Sizer Burton, current president of the club, and Mrs. Guyon E. Buehler, toastmistress and former club president. (Times Photo)

## Tiny Radio Transmitter Fired 1,050 Miles Over Atlantic This Morning

WALLOPS ISLAND, Va. (AP)—A five-stage rocket hurled a tiny radio transmitter 1,050 statute miles into a cold, cloudless sky today. The nose cone dropped into the Atlantic about 28 minutes later some 800 miles off shore.

The instruments it carried aloft sent back new information on the electronic density of space more than 800 miles up.

The vapor trail and smoke left as the rocket roared upward could be seen along most of this Delaware-Maryland-Virginia peninsula. There was virtually no wind, and the long column hung motionless for several minutes.

The shot was conducted by the Army's Ballistic Research Laboratories based at the Aberdeen Proving Grounds, Md., in cooperation with the National Aeronautics and Space Administration.

Good Performance  
The Army said all phases of the shoot—dubbed "Strongarm"—performed just as expected.

The tiny transmitter was designed and packaged by Dr. Lyman W. Orr of the University of Michigan to get a reading on the amount of electronic activity in the upper reaches. It had not been measured at that height before.

The data, when fully compiled, will be distributed to the 6 nations participating in the International Geophysical Year program. The Army plans to use the information for military purposes. It now will know more accurately

what type of space intercontinental ballistic missiles and anti-ICBMs will be operating in.

Weighted 7,125 Pounds

The rocket assembly consisted of an Honest John rocket, two Nike-Ajax boosters, a modified Recruit and a "scaled" Sergeant missile. The complete package measured 56½ feet and weighed 7,125 pounds. It was designed to reach a speed of 17,000 feet a second at burnout.

The transmitter operated on two frequencies—37 and 148 megacycles. It began operating 30 minutes before the firing, and continued until it sank into the ocean. Tracking and radio reception were conducted at the launching station here in a specially constructed van.

A spokesman said he could not speculate when the information would be processed and available for distribution.

## CAPT. SCHMIDT WILL SPEAK AT HS WEDNESDAY

Capt. Earl M. Schmidt of the U.S. Air Force, assistant professor of air science and tactics at Gettysburg College, will be the speaker Wednesday afternoon at 2:30 o'clock at the annual Veterans' Day program held by the Albert J. Lentz Post of the American Legion at Gettysburg High School.

The program will open with the Gettysburg Senior High School band, under the direction of Robert Zeigler, playing "Thunderer" and "On the Square."

Lt. Col. Jacob M. Sheads, history teacher at the high school and chairman of the Legion committee in charge, will make the introductory remarks after which the honor guard of the Albert J. Lentz Post will present the colors.

Special Music  
The pledge of allegiance will be led by Boy Scout Martin Olinger and Girl Scout Nancy Mallow.

Paul Grove will direct the senior high school choir in singing "Light of Liberty" and "I Like It Here." The high school band will play the march "America."

Colonel Sheads will introduce Richard Fox, deputy district commander of the 22nd District of the American Legion, who in turn will introduce the speaker.

The program will conclude with the "Star Spangled Banner" by the band, choir and audience.

## SCOUT DINNER ON WEDNESDAY

Those planning to attend the Black Walnut Boy Scout District leaders dinner Wednesday evening at 6:30 o'clock at the American Legion home are asked to notify Sebastian Hafer today. Scout Field Executive Stanley C. Rogers said today.

While normally no notice has been asked for the dinner, the large number who have already indicated their intention to attend has made it necessary to make reservations to make sure "there will be enough for all," Rogers said.

Col. Frank G. McCartney, commissioner of the Pennsylvania State Police, will speak. The program includes: invocation by the Rev. Fr. William A. Sullivan; greetings from District Chairman Charles E. Ritter; a tribute to the ladies by Ray Wigand, York-Adams Boy Scout area executive; a leaders' recognition program by Rex Maddox; presentation of awards by Donald Carver; a report on the Scout year by Field Executive Rogers; elections of officers conducted by Dean W. E. Tilberg; installation of officers by Attorney Edward B. Bullett, president of the York-Adams Area Council.

ARREST HARRY BRACKETT  
Borough police apprehended Harry Brackett, Allentown, Monday on a bad check charge brought by Allentown authorities. Brackett was picked up on a tip from Allentown police. He was confined until police arrived here to return him for questioning.

GUEST SPEAKER  
Dr. F. Shaffer, a member of the Gettysburg College faculty, will speak at the monthly meeting of the Hanover Dutch Treat Club Wednesday at 7:40 p.m. at the Hanover Diner.

## 21ST BIRTHDAY DINNER HELD BY SOROPTIMISTS

The Crusade for Freedom and "the fine work being done by Radio Free Europe" were discussed by Mrs. Michael Shapiro, Washington, D. C., guest speaker at the 21st birthday dinner of the Gettysburg Soroptimist Club Monday evening at the American Legion Home.

Mrs. Shapiro, sister-in-law of Mrs. Anna Bierer of Gettysburg and well known nationally for her work with the B'nai B'rith women's organization, was one of six women and 56 men sent from the U.S. on an inspection tour of Radio Free Europe installations and operations in 1958. She is a former secretary and office manager of the Washington office of the Hebrew Immigrant Aid Society.

"We must realize," she said, "that 76 million people still live in tyranny behind the Iron Curtain in Poland, Hungary, Czechoslovakia and other satellite countries, a curtain reaching 1,500 miles and made of electrified barbed wire, concrete pyramids and iron posts."

"To Give Hope And Courage"  
"Their only hope for freedom lies with encouragement and help from people like us. Radio Free Europe broadcasts the truth 24 hours a day in five languages from stations in Munich, Germany, and Lisbon, Portugal. The fact that Russia spends the equivalent of 2½ million dollars a year to jam these and also Voice of America programs is proof of their effectiveness. The purpose is not to overthrow governments but to give these people the hope and courage to bring about their own freedom."

Mrs. Shapiro also spoke of her recent trip to Israel where she found a different type of barrier. (Continued On Page 3)

## N. R. SULOUFF TELLS CLUB OF ROTARY GRANT

Nelson R. Sulouff, Gettysburg R. 3, an instructor at Gettysburg College and a Rotary Foundation Fellow two years ago, gave details of the Rotary Fellowship program Monday evening at a meeting of Rotary at the YWCA.

Sulouff showed films of his travels in England and Scotland and attendance at St. Andrew's University in Scotland under the Rotary grant.

He outlined the work of graduate students from throughout the world who through the years have received a year's study at a foreign university under the Rotary educational grants. He expressed his appreciation to the local club for its participation in the Fellowship program.

Give To Christmas Fund  
A donation of \$50 was voted toward the Christmas lighting fund of the town.

Plans were announced for a panel discussion next Monday evening at which visiting housewives will give details of "what we would like to see in stores in Gettysburg."

Dr. Carroll Voss led group singing accompanied by Dr. Kenneth Smokey at the piano.

Forty-six attended with President John MacPhail presiding.

### IN MARCHING BAND

Carl L. Hikes, York Springs R. 2, is one of 62 members of Juniata College's marching band, Huntingdon, Pa., this year. He is a freshman and a son of Mr. and Mrs. Ralph L. Hikes.

## 3 Air Force Jets Crash In Snowstorm; 4 Killed; Other Jets Reach Safety

GREAT FALLS, Mont. (AP)—A sudden, blinding snowstorm sent three Air Force jet planes crashing out of today's early darkness. Two of the craft carried four airmen to their deaths. Seconds before their plane crashed, two other airmen bailed out and parachuted safely onto a central Montana ranch.

Rancher Olind Jenni saw one plane crash, its fiery flash illuminating the darkness like daylight at the base of a large hill. Minutes later a second plane crashed against the same hill.

A number of other F89 Scorpion jet fighter interceptor craft, caught in the snow-jammed night skies, barely got onto off-base civilian runways 250 air miles away at Billings. Some apparently ran fuel tanks dry and others near exhaustion.

Details Are Withheld  
Their exact number and specific mission were withheld as classified military information at the

## Joint School Board Asks State Okay On 600-Pupil Annex To Gettysburg High

## DR. WICKERHAM ENDS SERVICE ON JOINT BOARD

Dr. R. D. Wickerham, who has been president of the Gettysburg Joint School Board ever since the joint district was formed in 1948, presided at his last joint board meeting Monday evening. His term as a school director in Gettysburg borough ended the first Monday in December. He was not a candidate for re-election.

Dr. Wickerham, who has been a director of the Gettysburg borough school district for the last 12 years, served the borough board as president during part of that time.

As he closed his final meeting Monday, a short session that adjourned before 9:30 p.m., Dr. Wickerham thanked the directors and school administrators for their cooperation and wished the "same cooperation for my successor." The next joint board president will be elected December 14.

Gets Vote of Thanks  
The board gave Dr. Wickerham a rising vote of appreciation for his services.

Two new elementary schools were erected and several additions to the high school including the auditorium-classroom annex dedicated four years ago, were built during Dr. Wickerham's tour of duty as board president. Besides presiding over meetings of the joint board and the Joint School committee, Dr. Wickerham attended most committee meetings and regular job conferences while new construction was underway.

As Dr. Wickerham ends his term, the school district is remodeling Meade school and starting plans for a 600-pupil annex to the high school building.

Monday's joint board meeting was the last joint session for Ray J. Kitzmiller, Gettysburg borough board president and chairman of the joint district's finance and planning committee; Mrs. J. B. Collins, Gettysburg, who is chairman of the joint board's teacher committee. Several township board members whose terms expire before the next joint board meeting were absent Monday night.

### HOSPITAL REPORT

Admissions: Clarence Fritz, McKnightstown; Harry Wolf, R. 1; Mrs. Percy Mummert, Dover R. 4; Michael T. Street, 804 Highland Ave.; Steve Werner, Hanover R. 1; Arnold Stottlemeyer, Littlestown; Mrs. Lloyd Bowers, Littlestown R. 1; John Biesecker, 42 W. Water St.; Charles Hobbs, Fairfield R. 2.

Discharges: Mrs. Rosville Topper, New Oxford; Mrs. John Remavege, Emmitsburg R. 1; Mrs. Donald Ensor and infant daughter, Hanover; Mrs. Marshall Sharrer, Rocky Ridge, Md.; Mrs. Weldon Dodson and infant son, Westminster R. 6; Mrs. Gerald Mummert and infant son, Hanover R. 5; Troy Hull, New Oxford; Jack Adams, R. 1; Miss Corinne Kaas, Thurmont R. 2; Miss Helen McCoy, New Oxford R. 1; Mrs. Carl Kessel and infant son, Aspers R. 1; Clifford Eiker, Emmitsburg R. 1; Edward Vincent, R. 3.

### CHANGE MEETING DATE

The Methodist Youth Fellowship of the Orttanna Methodist Church will hold its meeting at the church on Thursday evening instead of Wednesday because of conflict with the "open house" schedule in the public schools of the area.

## 3 Air Force Jets Crash In Snowstorm; 4 Killed; Other Jets Reach Safety

GREAT FALLS, Mont. (AP)—A sudden, blinding snowstorm sent three Air Force jet planes crashing out of today's early darkness. Two of the craft carried four airmen to their deaths. Seconds before their plane crashed, two other airmen bailed out and parachuted safely onto a central Montana ranch.

Rancher Olind Jenni saw one plane crash, its fiery flash illuminating the darkness like daylight at the base of a large hill. Minutes later a second plane crashed against the same hill.

The Gettysburg Joint School Board Monday evening voted to ask state approval of a 600-pupil "annex" at the Gettysburg High School.

The action amends an earlier application sent to Harrisburg last year which asked approval of a new senior high school building here.

Chairman Ray J. Kitzmiller of the board's finance and planning committee which has been studying the crowded conditions in the high school for a year, said the state has indicated willingness to approve an annex rather than a complete new building. His committee recommended that the board go ahead with "annex" plans.

### May Not Join Buildings

Expanding on Mr. Kitzmiller's report, Superintendent H. Edgar Riegler told the directors that an "annex" would have to be erected on the same general site as the present high school plant but would not necessarily have to be physically joined to it.

He said an "annex" differs from a complete building in that it lacks some elements, whether they be administrative offices, an auditorium or some other facility usually found in a complete school.

No plans have yet been made on what would be included in the annex other than 25 or more classrooms and probably a cafeteria because the present high school cafeteria is operating at more than capacity now. No cost estimates were mentioned Monday evening.

### School Crowded Now

Mr. Riegler observed also that "a great deal of planning is going to be needed on the matter of making the best use of our present facilities until we have new quarters." He recalled that last year the high school building was at capacity and 100 pupils were added this fall. Another extra 100 will arrive next September and probably at that rate for (Please Turn To Page 2)

## GETS CONTRACT FOR KITCHEN IN COUNTY SCHOOL

D. J. Parr, Lebanon, Monday evening was awarded the contract to install the kitchen at the new Bermudian Springs High School at a meeting of the directors of the joint school system at York Springs. His low bid was \$25,965.

The other bidders were: Herre Brothers, Harrisburg, \$27,000; Smith-Hoopers, Harrisburg, \$27,778; Seifer, York, \$28,400; Louis A. Weiss, York, \$28,475; and W. F. Dougherty, Philadelphia, \$30,510.

The contract calls for installation of all the fixed equipment in the kitchen, ranges, dishwashers, counters, refrigerators, etc.

Reports at the meeting disclosed construction has begun on the high school building and the East Berlin elementary addition, with grading completed and digging for the footers underway. Pouring of concrete for the foundations is expected to begin the latter part of this week, the board was told.

### May Get U.S. Funds

Present plans call for the addition to the East Berlin school to be ready for occupancy next fall and for the new high school to be completed about the middle of the 1960-61 school year.

The board authorized submission of an application for federal funds provided to school systems where children are educated whose parents are employed in federal installations. The board said a check disclosed 66 children in the Bermudian Springs system whose parents are employed by the government and that if the applica-

(Continued On Page 2)

## Mother Strangles Three Children

ROCKY HILL, Conn. (AP)—A 36-year-old woman, pictured by neighbors as a "wonderful mother, wife and good neighbor," strangled three of her five children Monday, police said.

They said she failed in an attempt to strangle her two other children.

Thomas Grimes returned to his white-shingled home Monday night and found the bodies of Daniel, 9, Patricia, 2, and Stephen, 1, sprawled in different parts of the house.

Two other daughters, Katherine, 11, and Roberta, 4, were unconscious. They and their mother were taken to a hospital in Hartford, seven miles away.

Police Chief Alfred Quintilano said "Mrs. Grimes apparently went berserk."

## PSEA HOST AT DINNER MEET

The Gettysburg branch of the Pennsylvania State Education Association was host Monday evening to Gettysburg Lions and representatives of other local civic and service groups at a dinner meeting in the Eisenhower School cafeteria in observance of National Education Week which opened Sunday.

John O'Brien, PSEA unit president, presided over the brief program in the cafeteria with about 160 clubmen, community representatives and teachers in attendance. The invocation was given by the Rev. Charles E. Held of the Lions Club. Mr. O'Brien introduced guests at the head table and teachers in groups according to their years of service in the local school system.

After the meal, which was served by the cafeteria staff, a film, "Freedom to Learn," was shown in the school's general purpose room. The color, sound feature concerned a community fust that followed parents' discovery that senior high pupils were being taught about communism in the classroom. The teacher's defense of the "freedom to learn" was the film's climax.

Donald A. Ullrich and Paul W. Grove were the co-chairmen of arrangements for the evening.

## AUXILIARY SLATE NAMED

The following officers were nominated Monday evening at a meeting of the Auxiliary of the Gettysburg Fire Department at the engine house:

President, Mrs. Joseph Sanders; vice president, Mrs. Donald Staub and Mrs. William DeHaas; secretary, Mrs. Robert Heyser and Mrs. Patsy Fetters; treasurer, Mrs. Joseph Staub and Harold Hocken-smith; chaplain, Mrs. Francis Yingling and Mrs. Glenn Raffens-perger.

Reports showed the auxiliary cleared \$132.54 at a dinner served the Auto Inspectors Association and \$167.43 at a food booth at the North-South Skirmish shoot. Miss Jane Stallsmith, the president, expressed her thanks to all the members who assisted.

Officers will be elected at a dinner meeting at the American Legion home December 14.

The dinner committee includes: Mrs. Joseph Staub, Mrs. Sanders, Mrs. John Staub, Mrs. Yingling and Mrs. William Gallagher.

The refreshments committee at Monday's meeting included: Mrs. Edward Paris, Mrs. Martin Crabbill, Mrs. Charles Kerrigan, Mrs. Ralph Johnson and Mrs. Clarence Clabaugh.

## TRAVEL UNITS

(Continued From Page 1)

wants to do many things, the man who can learn everything about Gettysburg in two hours; get all details about York's colonial history in the same time and become an expert on Lancaster's Pennsylvania Dutch following a three-hour tour. We believe that if he can be taught to consider the entire area, he will find enough to keep him happy for several days.

"Similarly, we have almost reached the point where we must plan people's vacations for them. The man in New York has no idea that he can come to York, Lancaster, Gettysburg or Hershey and find all the other attractions within a few hours drive. By working together as a region you can give people a fine plan for a week's vacation, spent in an area where there are tremendous numbers of attractions."

President Walter B. Lane, Vice President Kenneth Dick, Nicholas Meligakes, Allen Larson and G. Henry Roth attended from Gettysburg.

Lane said he will appoint Gettysburg's representatives to the proposed regional group at a meeting of the Travel Council this evening at 8 o'clock at the VFW home, E. Middle St.

## STOCKS UNEVEN

NEW YORK (AP)—A drop of 4½ by Ford highlighted an uneven stock market today. Trading was moderately active.

Most key stocks showed gains or losses running from fractions to a point.

The market was mixed from the start in an active opening accompanied by a briefly late ticker tape. Then dealings slackened. Ford retreated on a report that the Ford Foundation is planning to sell another 2,000,000 shares of Ford Common.

## NEW YORK EGGS

NEW YORK (AP)—(USDA)—Wholesale egg offerings increased. Demand quiet today. Receipts 17,200. (Wholesale selling prices based on exchange and other volume sales.)

New York spot quotations include nearby: Whites: Top quality (48-50 lbs) 36-41; mediums 26-27½; smalls 21½-23. Browns: Top quality (48-50 lbs) 37½-38½; mediums 31-32; smalls 27-28.

## LANCASTER LIVESTOCK

LANCASTER, Pa. (AP)—Cattle 500, medium and good feeder steers 23.50-27.50. Calves, hogs and sheep none, no sales.

## Social Happenings

For Social News Phone Gettysburg 1248 or 640

The World Fellowship service conducted at 11 o'clock Sunday morning in the Washington Cathedral, Washington, D. C., was attended by 38 YWCA members (30 Y-Teens and eight adults). The trip was made by bus.

The speaker was Arthur S. Fleming, secretary of health, education and welfare. The local group of the Smithsonian Institution, and the National Gallery of Art. The local contingent included: Mrs. Conover, Mrs. N. L. Minter, Mrs. Arthur Phiel, Mrs. William Wavell, Mrs. Milton Remmel, Mrs. Freed, Mrs. Stanley Hull, Mrs. Fair Bentz, Hilda Hull, Bonnie Hess, Roberta Swisher, Sharon Bixler, Julie Freed, Maron Petterson, Lynne McCoy, Sandra Gaston, Reva Holland, Janet Black, Euraia Sheilman, Mary Nell Sargeant, Ellen Zeger, Betsy Hull, Barbara Allison, Mary Bucher, Demmy Deardorff, Kay Newman, Nancy Juhn, Mary Dorr, Barbara Hay, Barbara Ditchburn, Sandra Goldsmith, Peggy Ditzler, Carol Hostetter, Bonita Hughes, Andrea Bream, Peggy Smith, Cherie Bream, Carolyn McCans.

The Hospital Bridge Club will meet at 1:30 p.m. Thursday for dessert bridge at the home of Mrs. Clark Smith, W. Lincoln Ave.

The women of the seminary will meet tonight at 8 o'clock in the social room of the administration building, seminary campus. The Rev. Ernest Vetter will show slides on Hawaii.

A birthday dinner was given Monday evening in honor of James Kroushour by his parents, Mr. and Mrs. Lloyd Kroushour, York St. Those attending were Mr. and Mrs. Joseph Kroushour and daughter, Stephanie, Miss Joyce Althoff and Mrs. Gertrude McClellan.

J. M. Leatherman, R. 2, spent the weekend in Brooklyn, N. Y., and W. Orange, N. J., on a business trip.

Wayne Koons, Frankford, Ind., was a dinner guest Monday of Mr. and Mrs. Samuel Laughman, W. Middle St.

Mrs. Bertha Deutch, New York City, is spending 10 days with her son-in-law and daughter, Mr. and Mrs. Irving Liss, and children, David and Brenda, R. 2.

Capt. and Mrs. Carl McQuigg, Fort Lauderdale, Fla., spent the weekend with Mrs. McQuigg's parents, Mr. and Mrs. Albert G. Loew, R. 4.

Mrs. Mary Stonesifer, York, spent Sunday with Mr. and Mrs. Willis McCadden, York St.

Epsilon Delta chapter of Beta Sigma Phi will meet in the form of a "model meeting" this evening at 8 o'clock in the REA building.

Mrs. Irving Bierer, Times Apt., Carlisle St., had as guests Monday her sister-in-law, Mrs. Michael Shapiro, Washington, D. C., and her daughter, Mrs. Harold Nafsky, Bunt Mills Village, Silver Spring, Md.

Gettysburg Circle 227 of the GAR will meet Wednesday evening at 7:30 o'clock at the post home on E. Middle St. Each member is asked to bring a game prize.

Jennie Wade Auxiliary affiliated with Canton 5 of the IOOF Lodge had its annual inspection Friday evening with Mrs. Mary Balmer, past president, as the inspecting officer. Visitors were Mrs. Pearl Baxter and Mrs. Alta Wagner, Capital City Auxiliary, Harrisburg, and Lt. Col. Ben F. Balmer Jr., department adjutant of the department council.

The following officers were elected: President, Mrs. Catharine Nett; vice president, Mrs. M. Anna Miller; secretary, Mrs. Marie Stevens; treasurer, Mrs. Dorothy Sprigg; delegate to the o r p h a n s home, Mrs. Naomi Schwartz, and delegate to the 1960 convention, Mrs. Marie Stevens. A report of the last session at Williamsport was given by Mrs. Nett. Officers will be installed at the next meeting December 4 at 7:30 p.m. at the Odd Fellows hall. A Christmas party will also be held at that time with an exchange of \$1 gifts.

The American Legion Auxiliary met Monday evening at the American Legion home with 25 members present. Mrs. Joseph Bushey president, presided. The group voted to give \$5 to the fire company for its Muscular Dystrophy Fund. The district council meeting will be held December 3 at Greencastle. Delegates will take stamped Christmas cards for patients in the Veteran's Hospital. Any member wishing to send cards is asked to leave them with Mrs. Bushman at the Anna Bierer Shop, Carlisle St. Readings were given in connection with Veterans' Day. The next meeting will be a Christmas party December 14. All members are asked to bring a fifty-cent gift.

The White Run Homemakers will meet Wednesday evening at 7:30 o'clock at the home of Mrs. Wilson Clapsaddle, R. 1. Mrs. Aaron Rohrbach will present a

program on "Winter Dish Gardens and Terrariums." Each member is requested to bring her own containers and supplies needed for the project.

Mr. and Mrs. Frank Merriken and son, Richard, R. 1, spent the weekend with Mr. and Mrs. Robert Proud, Goldsboro, Md.

Mr. and Mrs. Arthur Upperman and daughter, Pam, Carlisle, spent Sunday with Mrs. Upperman's uncle and aunt, Mr. and Mrs. Arthur Warman, E. Middle St.

Charles E. Reuter, Jenkintown, spent Sunday with Mrs. Edna Walter, Chambersburg St. Mr. Reuter served in Korea with Mrs. Walter's grandson, Richard Walter.

The Hannah Circle of the Women of St. James will meet this evening at 7:45 o'clock in the Maude Miller room of St. James Lutheran Church.

Mr. and Mrs. George Jones, Philadelphia, spent the weekend with Mr. and Mrs. Charles A. Myers, R. 3.

## Firemen Answer Two Alarms Today

Gettysburg firemen were called twice this morning, the first time to a fire in the borough sweeper, the second time to a fire in some cardboard cartons at the Howard Johnson Motel, Steinwehr Ave.

The sweeper fire occurred at 5 o'clock this morning. Robert Crone, 115 Hanover St., operator of the vehicle, was making a turn on Carlisle St. at Swope's Atlantic Station, when it burst into flames. An investigation showed that an oil line had been leaking.

The second blaze occurred about 10 o'clock when workmen engaged in construction at the motel found several cardboard boxes stored in one of the rooms afire. Workmen threw the blazing boxes out of the building and firemen quenched the fire upon their arrival.

## Mrs. Robert Young Passes Away At 70

Mrs. Jane Ellen Young, widow of Robert B. Young, a former resident of Gardner's R. 2, near Peach Glen, died Monday evening at 6 o'clock at the home of her daughter-in-law, Mrs. Helen Young, Fairfield R. 1, after a lengthy illness.

A daughter of the late Samuel and Mary E. (Hinkle) McBeth, she was a native of Adams County and a member of the Mt. Hope EUB Church. Her husband died in 1953.

Surviving are a sister, Mrs. Bertha Walter, Biglerville; her daughter-in-law, Mrs. Helen Young, and a number of pieces and nephews.

Funeral services Thursday afternoon at 2 o'clock from the Dugan Funeral Home, Bendersville, with the Rev. Alfred Gotwald, her pastor, officiating. Interment in the Bendersville Cemetery. Friends may call at the funeral home in Bendersville Wednesday evening from 7 to 9 o'clock.

## Will Give Final TV Talk On French

Dr. Albert Bachman, head of the Romance languages department at Gettysburg College, will deliver the second of two telecasts on "Using Basic French" on the College of the Air program Wednesday over WGAL-TV, Channel 8, Lancaster.

"Communicating Ideas" is the overall theme of the Gettysburg series which began October 7 and concludes Wednesday. Speech, English and French instructors produced broadcasts on clear personal communication. Harry F. Bolich, associate professor of speech at Gettysburg College, is co-ordinator of the college's participation in the educational TV series.

## KIWANIANS MEET

Dr. James O. Sheen was a guest at the weekly meeting of the Kiwanis Club at Bren-Da's Restaurant Monday evening. Robert Geigley served as master of ceremonies for a program which he presented. The group advanced plans to sell Christmas trees from December 1 until 6 p.m. December 24.

## FILMS AT "YW"

The final group in a series of travel films being shown at the YWCA building will be presented there Wednesday evening at 8 o'clock. "Freedom Highway" will take the viewers on a patriotic journey through the history of the nation as depicted by the re-enactment of a series of significant events. "Washington, Shrine of America," presents a colorful panorama of the nation's capital city.

## TO ATTEND VIEWING

Members of the Gettysburg VFW will meet this evening at 8 o'clock at the VFW home, E. Middle St., to go as a group to the viewing of Roy Pottorf at the Bender Funeral Home. Wednesday the firing squad will meet at 1:30 o'clock at the VFW home to go to New Chester to conduct the military rites at the interment.

## Joint School

(Continued From Page 1)

some years, he said. In answer to a director's question as to whether a 600-pupil annex would be large enough, Superintendent Riegle said it probably would be "large enough for a few years" but would have to be built so that it could be expanded as needs increased.

The question was raised, also, as to whether the school district has enough land on its present campus to gain state approval for extensive building expansion there.

Mr. Riegle also estimated that at least three years will be required to carry any new construction through the planning and construction stages.

Monday's decision followed a number of finance and planning meetings and conferences at Harrisburg, the directors were told. State officials now compute the pupil capacity of the present high school at less than the present enrollment.

"Our high school housing problem is really acute," the superintendent said.

The directors were assured that by asking approval of an "annex" here the district would not be bound to such a plan if later developments should warrant a change. "Until we get a room schedule, we can't tell what will be included in the annex and then we can find out what the state will approve," the superintendent said.

## Okay Meade Decisions

The joint board ratified finance and planning committee action in recent weeks on improvements at Meade School. Chairman Kitzmiller reported architects had recommended against a flat roof proposal for the school as "too costly and it would destroy the architectural balance of the building." The committee got bids and gave the contract for a new 25-year asphalt roof to Donald B. Smith, Hanover, at his low bid of \$7,950. The supervisory work and roof base will be provided by the A. R. Warner Company of Waynesboro which has the general contract. The Warner Company will get \$990 for that work and \$946 under a contract to insulate the second floor ceiling of the structure as a heat-saving move.

Kitzmiller said his committee thinks that all major work on Meade School is provided for excepting interior painting and new window blinds. Attorney John A. MacPhail called attention of school boards to new legislation permitting them to invest school funds in 90-day U. S. treasury bills, offering school districts some interest on surplus monies on hand now which may not be needed for a few months.

Invited To Open House Richard A. Folkenroth, elementary school principal, invited directors to attend open house on Keefeauver and Eisenhower Schools Thursday evening.

In response to a request from Dr. Joseph Riley, the board agreed to provide a place for the annual Boy Scout Christmas party. The exact site will be decided by school administrators. The board ordered current bills totaling \$8,343 paid and Secretary Kenneth G. Reinhart distributed rental statements to the member boards. The first payments are due next Monday.

Directors also had an invitation from the Mask and Wig Dramatic Club at the high school to attend a play to be given there November 20. There will be reserved seats for directors who ask them.

## Serve 43,000 Meals

The monthly treasurer's statement from the First National Bank showed a November 4 balance in the general fund of \$51,006 after \$75,000 in tuition was received in October and expenditures of \$62,247.

School cafeteria reports that showed more than 43,000 meals were served in the schools on 20 days last month were submitted. Each of the three cafeterias operated at a slight loss last month. At the high school an average of 1,042 student and 32 adult meals were served on each of 20 days with receipts coming to \$6,908 and costs to \$7,061. At Keefeauver School there was an average of 607 student and 39 adult meals with receipts of \$3,639 and expenses of \$3,846. At Eisenhower School the figures were 416 student and 27 adult meals with receipts of \$2,572 and expenses of \$2,697.

Superintendent Riegle called attention to the need for local boards to conduct their annual elections and make committee assignments before next month's joint board meeting when the joint board will organize and elect committee chairmen.

## Okay "Sub" Teachers

On Mr. Riegle's recommendation names of Mrs. Jean S. Delzingaro, 7 Hanover St., and Mrs. Paul Peterson, Gettysburg R. 3, were added to the list of local substitute teachers.

An activities fund report was presented showing a balance of \$14,265 and the Athletic Association report showing a balance of \$2,982 after October receipts of \$1,288 and expenses of \$375.

A health service report for October was given each director. Dr. Wickerham presided with 27 directors present. The absentees were John Maring, Harry Hall, Mervin Bishop, Mrs. M. H. Nichols, Douglas W. Smith, Walter Hay, Charles Lott, Charles Rohrbach, Charles Shildt and Arthur Buehler.

## Upper Communities

Telephone Mrs. John Leeti, Biglerville 8

The Wenksville Methodist Church will rehearse at the church Thursday evening.

The November meeting of the United Lutheran Church Women of St. Paul's Lutheran Church, Biglerville, was held Friday evening at the parsonage. Mrs. O. A. Nary was the leader and her topic was "The Field Is the World."

The group packed 80 bags of homemade cookies to be distributed to the guests at the Adams County Home. Plans were made for a special meeting to be held in St. Paul's Church on November 30 when Dr. Frances Dysinger, field secretary for the ULCW, will be the guest speaker. The United Lutheran Church Women of Trinity Lutheran Church, Arendtsville; the Bendersville Lutheran Parish and Bender's Lutheran Church, Butler Twp., will also attend this meeting.

The group packed a box of Christmas clothing for the Rocky Boy Indian Lutheran Mission in Montana.

Mr. and Mrs. Albert Rutherford, Harrisburg, visited over the weekend with Mr. and Mrs. Paul Cluck, Aspers R. 1. Monday guests at the Cluck home were Mrs. Charles Jones, Harrisburg, and Miss Stella Wolfe, Lemoyne.

Robert D. Watson is receiving two months of basic training at Fort Jackson, S. C. His address is as follows: Rct. Robert D. Watson, U.S. 52504389, Company C, 4th Battalion, Fort Jackson, S. C. He is the son of Mr. and Mrs. Donald Watson, Aspers R. 1.

The Heidlersburg UB Church will hold its annual public turkey supper Saturday evening with serving from 4 to 8 o'clock at the York Springs firemen's hall.

The Ira E. Lady American Legion Post will hold a regular meeting Thursday evening at 8 o'clock at the post home on E. York St., Biglerville.

The November meeting of the '50 Club has been postponed from Wednesday, November 11, to Wednesday, November 18.

The following were given pins on Sunday for regular attendance at St. Paul's Lutheran Church School, Biglerville: Sterling Bowers, 33 years; Charles Fidler, 31 years; Mrs. Robert Shafer, 27 years; Robert Shafer and Mrs. Jacob Lawver, 26 years; Kenneth Alwine, 15 years; Mrs. Kenneth Alwine and Connie Stallsmith, nine years; Donald Hawbecker, Janet Schwartz and John Stallsmith, eight years; Gail Alwine, David Thomas and Pauline Wright, six years; Sharon Alwine, Juanita Carey, Philip Carey, Beverly Elicker, Daniel Heller, Steven Heller, Deanna Hollabaugh, Harold Thomas and Pamela Wentzel, five years; Beth Arnold, Fran Arnold, Kay Arnold, Rhonda Kline and Michele Seeman, four years; Jeffrey Brown, Pat Brown, Christine Heller, Grete Seeman and Gayle Thomas, three years; Gail Coulson, Jeffrey Coulson, Cynthia Deardorff, Richard Hollabaugh, Richard Lawver, Carolyn Riley, Mrs. C. L. Seeman and J. W. Weigle, two years; Radford Brown, Mrs. M. Francis Coulson, Karen Fissel, Karin Lady, Kristin Lady, Alan Leeti, William Rice, one year.

## DEATHS

Miss Minnie L. Krug, 65, E. Princess St., York, formerly of Littlestown, died very suddenly at her home on Monday at 7:15 a.m. A daughter of the late George W. and Serena (Chronister) Krug, she was a member of Christ United Church of Christ, near Littlestown. Surviving are a brother, Albert E. Krug, and a sister, Mrs. Hattie Kauffman, both of Littlestown R. 1.

Private funeral services will be held on Wednesday afternoon at 2 o'clock from Little's Funeral Home, Littlestown. Her pastor, the Rev. G. Howard Koons, will officiate. Interment will be in Christ Church Cemetery.

Dr. Samuel C. Showalter, 46, Quakertown, a native of Dallastown, died Monday at 2 p.m. at Quakertown Hospital after becoming suddenly ill Sunday evening at his home.

Dr. Showalter, husband of Mrs. Leona Diehl Showalter, had been a practicing dentist in Quakertown since 1938. He was a son of the late Samuel F. and Katie Fry Showalter and was a 1931 graduate of Dallastown High School. Dr. Showalter attended Albright and Gettysburg Colleges and was graduated from the Temple University School of Dentistry. He was a veteran of the Korean conflict.

Surviving in addition to his wife, are a daughter, Linda Showalter, at home; two sisters, Mrs. William B. Hess Sr. and Mrs. Richard M. Kehr, Dallastown; two brothers, Harold Showalter, Port Arthur, Texas, and Merle Showalter, Lancaster.

Funeral services Thursday at 2 p.m. at the Strunk Funeral Home, Quakertown. Interment in Memorial Park, Bethlehem.

## BIRTH ANNOUNCEMENTS

A Hanover Hospital Mr. and Mrs. John A. Herrick, Seven Stars, son, Saturday.

At Waynesboro Hospital Mr. and Mrs. Guy W. Dayhoff, Taneytown R. 1, daughter, Saturday.

FATHER, SON  
DINNER DRAWS  
100 ON MONDAY

Approximately 100 persons attended the annual father and son banquet of St. John's Lutheran Church held on Monday evening in the church social hall. The ham dinner was served by the Ladies' Aid Society. Prior to the meal the invocation was given by the pastor, the Rev. William C. Karns.

The guest speaker was the Rev. G. Howard Koons, pastor of Christ United Church of Christ, who addressed the group on the theme "Father and Son: Also Family Relationships." There were selections by a Little German Band, composed of Littlestown High School students. Several numbers were sung by St. John's Brotherhood quartet, comprising Edgar E. Yealy, Glenn E. Unger, Albert Starner and Ronald W. Strevig. Group singing was led by Ronald Strevig. Gifts were presented to the oldest father present, Samuel King, and to the youngest son present, the five-year-old son of Francis Mummert.

A brief business meeting of the Men's Brotherhood followed the program in charge of Ronald Strevig, president. Dewey Baumgardner, secretary, gave his report. It was decided that the Yoke Fellow Society and the Brotherhood will merge and the later group will assume the duties of the former society. Plans were made for a Christmas party for members and their families to be held in connection with the next meeting on Monday, December 14, when a covered dish supper will be served in the church social hall. Santa Claus will visit the children. Committees for the affair include program, Dewey Baumgardner and Clair A. Beamer; refreshments, Lester Myers, Lewis U. Motter and John Morehead.

## C.E. Group Meets

Beatrice Arentz was leader at the meeting of the Christian Endeavor Society of Christ United Church of Christ on Sunday evening. The program was as follows: Group hymns "I Love to Tell the Story" and "Abide With Me"; scripture, Thelma Shoemaker; prayer, Clyde L. Sterner; hymn "In the Garden"; topic "My Ark—Action Writes," discussed by George D. Koons; routine business in charge of the president, Donald L. Wolfe; secretary's report, Mrs. Shirley Wolfe; hymn "God Be With You." Bradford Wolfe was appointed to be leader for the meeting next Sunday at 7 p.m.

## Plan Hayride

A hayride was planned at the meeting of the Senior High Youth Fellowship of Redeemer's United Church of Christ on Sunday evening. The hayride for members and their friends will take place on Friday evening, November 20. General arrangements are in charge of Sharon Flinchbaugh. Mrs. Richard A. Little Jr., adult counsellor, will be in charge of refreshments.

Larry Unger was leader in charge of the topic presentation and the worship service for the senior group. There was hymn singing led by Mrs. Little; skit "The Social Secretary," presented by Wanda Morelock and Eileen Crouse; prayer, the Rev. Glenn Flinchbaugh, pastor; group games; Lord's Prayer in unison. It was announced that a community youth rally will be held in St. Paul's Lutheran Church on Sunday, November 22, at 7 p.m. Dianne Crouse will be leader for the regular meeting next Sunday at 6:30 p.m.

Marilyn Miller was leader for a discussion on the topic "The Ten Commandments" at the meeting of the Junior High Youth Fellowship of Redeemer's Church on Sunday evening. Group discussion followed. Ann Kroh was piano accompanist for group singing and Terry Arbogast offered prayer. During the business preliminary plans were made for a hayride on a date to be announced. The meeting concluded with games by the group. Judy Koonitz and Patty Little will be in charge of the recreation at the meeting next Sunday at 6:30 p.m. when the leader will be Linda Frock.

**Luther League Meets**  
"In God's Presence" was the subject of the topic discussed by Charles Mummert and Robert Hahn, leaders at the meeting of the Luther League of St. Paul's Lutheran Church on Sunday evening. Forty-five young people

## Littlestown

CLUBWOMEN'S  
ANNUAL DINNER  
ON WEDNESDAY

The annual banquet program for members of the Woman's Community Club of Littlestown and Vicinity will be held at 6:30 p.m. on Wednesday in the social hall of Redeemer's United Church of Christ. Following the meal, there will be a program to include a guest speaker and music by a group of Gettysburg College students. Arrangements are in charge of the education committee, Mrs. Luther W. Ritter, chairman.

The November session of the Littlestown Fish and Game Association, Inc., will be held Wednesday evening at 8 o'clock at the Fish and Game clubhouse, near town. Refreshments will be served by W. E. Stites, Kenneth Bortner and Fred W. King.

Miss Barbara Sentz, Mrs. Fred Rudisill, Mrs. Charles Schneider, Mrs. Kenneth Schultz, Mrs. Calvin M. Sentz Jr. and Mrs. David Sentz will be in charge of the program at the meeting of the Ladies' Aid Society of St. Luke's Union Church, near White Hall, on Wednesday at 7:30 p.m. at the church.

## Plan Christmas Project

A "Recipe Roundup" will be featured at the meeting of the Junior Woman's Club of Littlestown on Wednesday in the social room of the Eagles Home, W. King St., at 8 p.m. Each member is asked to bring a prepared dish with the recipe attached. Members are requested to return the gadget books and money for orders. The program will be in charge of the finance committee, Mrs. Malcolm B. Shadle, chairman. During the business, plans will be discussed for a shopping trip and holiday activities. The coffee social will precede the meeting starting at 7:30 p.m.

The biweekly meeting of Intermediate Girl Scout Troop 45 will be held in the engine house on Wednesday after school.

## Stamped Christmas cards for

were in attendance. The adult supervisors were Mr. and Mrs. Walter Morelock Jr. Final plans were made for a hayride to be enjoyed by members and their guests on Saturday night leaving at 8 p.m. from the church. The chaperons will be the Rev. and Mrs. Lawrence H. Roller and Donald B. Kump and his fiancée, Miss Nancy Douglass. Following the ride the group will return to the church where refreshments will be served by the Loyalty Class. Nancy Ruggles and Jackie Morelock will be leaders for the regular meeting next Sunday at 6:30 p.m. when the adult supervisors will be Mr. and Mrs. Monroe G. Morelock and Mr. and Mrs. Arthur E. Bair Jr. The young people groups of the community churches will have a youth rally in St. Paul's Church on Sunday, November 22, at 7 p.m.

Spencer Reaver offered prayer and Susan Reaver read the scripture at the meeting of the Luther League of St. John's Lutheran Church on Sunday evening. The topic "Recreation from a Christian View" was discussed by Susan Reaver. Bonnie Storm was appointed to be leader for the meeting next Sunday at 6 p.m. The Luther League members and their guests will enjoy a hayride on Friday evening leaving at 7 o'clock from the church to which they will return for refreshments. Melinda Karns and Jane Wantz comprise the refreshment committee.

## 21ST BIRTHDAY

(Continued From Page 1)

a barbed wire barrier between Arabs and Jews. "But here the people are full of hope and determination to find peace. The people themselves may be able to do it, if not their governments. With hard work they hope once again to make Israel the 'Land of Milk and Honey' it was in biblical times. Prospects are brighter here, proving that human beings do live for ideals and for each other," she said.

## Introduce Past Presidents

Seventy-five members and guests attended the celebration including representatives from the Soroptimist Clubs of Chambersburg, Carlisle, Hanover, Harrisburg and Westminster. The Chambersburg Club presented the local club with a birthday present of 21 dollars. Mrs. George Eberhart was chairman of the dinner committee and played the piano for group singing. Mrs. Frederic Griest was in charge of table decorations which were fall flowers, apples and gourds. Others serving on the committee were Mrs. Donald E. Myers, Mrs. George Boehner and Mrs. Julius Swope.

Mrs. Guyon Buehler acted as toastmaster and gave a history of the club's past achievements. Past presidents were introduced: Mrs. George Eberhart 1938-40; Mrs. Rosalie Raffensperger 1940-42; Mrs. Henrietta Blocher, 1942-44; Miss Florence Basehoar, 1944; Mrs. Eva Pape, 1945-46; Mrs. Buehler, 1946-48; Mrs. Frederic Griest, 1948-49; Mrs. Elizabeth Hennig, 1949-51; Mrs. Donald E. Myers, 1951-53; Mrs. Margaret Walter, 1953-54; Miss Martha Stallsmith, 1954-56; Mrs. Boehner, 1956-57; Mrs. Buehler, 1957-59, and Mrs. Sizer Burton, 1959.

Mrs. Burton, club president, gave the address of welcome. Mrs. Anna Bierer gave the invocation which was followed by group singing led by Dr. Elizabeth Gregg. Entertainment was furnished by a vocal trio: Carol Bosserman, Carolyn Musselman and Mary Griest, accompanied by Pam Wetzel at the piano. All are Biglerville High School students.

A three-tiered birthday cake decorated in the club's colors of blue and gold was provided by Mrs. Elizabeth Hennig.

## "FIRST LADY"

(Continued From Page 1)

It was announced by the program committee that a "hanging of the greens" ceremony will be conducted Sunday, December 6, at 3 p.m. The "Y" Teens and various clubs will assist in the program. Mrs. Robert Willis, hospitality committee, will be in charge of the tea table.

There will be an open meeting Wednesday evening for members of the Y and of the board. Mrs. Ellen Clapp, a member of the National Board of Directors, YWCA, will be guest speaker. A discussion of Y activities will be concluded.

Gifts of \$25 from Mrs. J. P. Huddle, and \$10 from Mrs. M. nized. A note of thanks received from the subleague of the Woman's League of Gettysburg College, acknowledging the use of a room in the "Y" building for executive board meetings, was read.

On Thursday evening "Round Table" night will be observed as part of World Fellowship Week services at the Y. All members of the board were invited to attend the Wednesday afternoon meeting of the Gettysburg Woman's Club at the YWCA building.

patients in veterans hospitals will be taken by members of the Ladies' Auxiliary to Ocker-Snyder Post No. 321, American Legion to their November meeting tomorrow at 7:30 p.m. at the post home, E. King St.

Mrs. Francis I. Gerrick, Littlestown R. 1, was admitted as a patient at the University of Pennsylvania Hospital, Philadelphia, today. She will undergo surgery and return home in a few days.

## Trip To Gettysburg

The boys and girls of the Junior Department of the Sunday School of Redeemer's United Church of Christ enjoyed a trip to Gettysburg on Sunday. The group attended Sunday School and the worship service before having lunch at Banker's Restaurant, near Gettysburg. The group of 38 pupils and their teachers then toured the Battlefield and points of interest in Gettysburg. Elmer W. Gall, of the Sunday School and a history teacher in the Littlestown Junior High School, served as the Battlefield guide. Theron J. Basehoar, department superintendent, was in charge of the trip. The Rev. Glenn Flinchbaugh, pastor, accompanied the group.

Boy Scout Troop 84 will meet on Thursday at 7 p.m. at the Scout headquarters on M St. For this week only, the meeting will be held on Thursday instead of Wednesday.

Wednesday, in observance of Veterans' Day, the Littlestown National Bank and the Littlestown State Bank will be closed all day. The regular business hours will be observed Thursday.

Mrs. John S. Eisenhower  
Will Accompany President  
On Visit To 9 Countries

WASHINGTON — President Eisenhower's daughter-in-law will accompany him on his forthcoming goodwill tour to Europe, Asia and the Middle East in place of Mrs. Eisenhower, the White House said Saturday.

This was disclosed when the White House made public the schedule for the trip, which will include a Mediterranean cruise of at least two days, but not a round of golf near Monaco.

## Trip "Tough"

Press Secretary James C. Hagerty said that inasmuch as Mrs. Eisenhower could not make the trip, the President had invited his daughter-in-law, Mrs. Barbara Eisenhower, to go along. It previously was announced that the President's son, Maj. John S. Eisenhower, was making the trip.

The President himself told a news conference Wednesday he did not think the First Lady would make the trip "because it is a little bit tough . . . for her on that kind of a mission." Mrs. Eisenhower has been suffering from a cold. She also does not like to fly.

## Golfing Is Out

Hagerty described as "cock-eyed" a report that the President would stop at or near Monaco for golf.

The President's itinerary will take him to nine countries, climaxed by the Western summit conference in Paris.

The President's jet plane will take off from Washington shortly before midnight Dec. 3 and, after a refueling stop at Gander, Newfoundland, will arrive in Rome late in the afternoon of Friday, Dec. 4. Mr. Eisenhower will spend Saturday in Rome and leave during the morning of Dec. 6 to fly to Ankara, Turkey, arriving in midafternoon.

## India, Afghanistan

On Dec. 7, Mr. Eisenhower flies from Ankara to Karachi, Pakistan, where he arrives in midafternoon and remains through Tuesday, Dec. 8, before leaving early in the morning of Dec. 9 for a flight to Kabul, Afghanistan, for

NEW SCHOOL  
IS DEDICATED

Gilmore B. Seavers, dean of admissions and student affairs at Shippensburg State Teachers College, addressed an overflow crowd of more than 400 persons at the dedication ceremony of the new Conewago Township School Sunday afternoon.

A 15-minute concert by the Hanover Junior High School orchestra, under the direction of Clyde L. Mummert, preceded the ceremonies.

Formal presentation of the \$426,000 consolidated school was made to Ira E. Fuhrman, chairman of the township school building authority, and Clark H. Wildasin, president of the school board, by Gerald Dubs, secretary-treasurer of Hoffheins Brothers, general contractors, Hanover, and Clair S. Buchart, York, architect.

## C. P. Keefer Speaks

Greetings were extended by Clarence P. Keefer, New Oxford, superintendent of the Adams County Schools. Guests were introduced by J. Arthur Wolfe, principal of the new school.

A dictionary was presented to the school as a memorial to the late John M. Wisler, a supervising principal of the township, by James G. Keagy, Oxford Road, McSherrystown, as representative of a group of 55 former pupils in the township.

An American Flag and a dictionary card were presented by James McCarthy as president of the township Parent-Teacher Association.

The school chorus directed by Mrs. Annabelle Czerwicz, accompanied by Susan Wolfe, sang.

## FORFEIT FINES

Among those recently forfeiting fines in Westminster on motor code violation charges were:

James W. Kemper, Taneytown, \$6.45, operating without an operator's license; John P. Kemper, Taneytown, \$11.45, permitting an unauthorized person to operate a motor vehicle; Columbus G. Schneider, Littlestown, \$11.45, exceeding 50 miles per hour; Donald X. Sullivan, Orttanna, \$11.45, exceeding 55; Clyde W. Crouse, Littlestown, \$248.75, exceeding wheel base formula by 7,455 pounds; Morris A. Wastler, Littlestown, \$11.45, exceeding 55 miles.

Katherine Lana Albaugh, Taneytown, \$11.45, exceeding 35 miles; Clinton W. Flickinger Jr., McSherrystown, \$6.45, exceeding 30 miles; Lawrence M. Meunier, Taneytown, \$6.45, exceeding 30 miles; Ronald D. Krug, Taneytown, \$6.45, exceeding 30 miles.

## SERVICE FOR DEAF

An invitation is extended to all the deaf and their families in the area to attend the monthly Lutheran worship service conducted in the sign language on Sunday at 2:30 p.m. in St. Paul's Lutheran Church, 201 W. Louthier St., Carlisle. The service is sponsored by the West Pennsylvania Conference Lutheran Inner Mission and will be conducted by the Rev. H. Earl Schlotzauer, Idaville.

LOCAL STEER  
WINS AWARD

An Angus steer raised by friends of President Eisenhower on his farm near here took first prize in the carcass class at the opening of the Pennsylvania Livestock Exposition in Harrisburg Monday.

The animal was raised by George A. Allen, a neighbor and companion of the President, and B. G. Byers of Gettysburg R. 2.

Pennsylvania State University had the reserve champion in the class.

Keystone State breeders showed considerable strength in Monday's opening competition of the six-day third annual affair.

A world championship rodeo, a highlight of the exposition, opens tonight and runs through Saturday. It will feature some of the nation's top cowboys and bucking horses.

Exposition interest Monday centered on carcass classes in which animals are judged live, slaughtered and judge again.

Ford A. Cooper of Reynoldsville, Jefferson County, showed the top hog, a Hampshire barrow. The reserve championship was taken by Harry Wareham of Everett, Bedford County, also with a Hampshire.

Terry Shaffner of Centre Hall R. 2, Pa., won the grand championship in the market wether (lamb) department, Pennsylvania State University won the runner-up spot with an entry shown by Shaffner's father, Carroll.

Tune In WGET, 1450 On Your Dial

Three Properties  
Are Transferred

Deeds have been filed in the office of the register and recorder for property transfers as follows:

Manticone Investment Corp., Frederick, to John C. T. Conte, Pittsburgh, a tract in Straban Twp., \$11,000.

Alvema M. Carey, Bendersville, to William H. and Helen E. Horner, Butler Twp., a lot in Bendersville, \$7,000.

Anna Mae Kiser, Germany Twp., and George A. Koonitz, Carroll County, Md., to Viola S. Ammenheuser and Marian R. Selig, both of Germany Twp., a lot on the Littlestown-Gettysburg State Highway, \$4,000.

## JAILED FOR COURT

Charles S. Reed, Littlestown R. 1, was arrested Sunday by Littlestown authorities on a desertion charge filed by his wife, Mrs. Beatrice Reed, of the same address. He is being held in \$500 bail to appear before desertion court November 16.

## VIEW FIRE ENGINE

Approximately 100 first grade pupils of the Keefeauver Elementary School had a close look at a fire engine and the new ambulance at the school grounds this morning. According to Richard A. Folkenroth, principal, the children have discussed fire-fighting equipment as part of their classroom work.

The United Nations Educational, Scientific and Cultural Organization estimates there are about 700 million adult illiterates in the world, or 44 per cent of the population.

## 3 Air Force

(Continued From Page 1)

Parachuting safely in the Lewistown area were Capt. John Buttner, 31, of Bluefield, W. Va., the pilot, and Lt. James Johnson, 27, of Groesbeck, Texas, radarman. Walking away unharmed from a T33 craft's belly landing at Malmstrom in the first of the series of crashes at 1:30 a.m. were these two from Ellsworth AFB:

Lt. Arlan Larm, 24, of Rapid City, S. D., and Royal, Iowa, the pilot, and Lt. David Collins, 25, of Rapid City, and Rome, Ga. Their landing gear apparently would not go down properly. The fatal crashes were about 110 miles from here.

Landing safely at the Billings airport were Lt. Gerald Hanse, Lt. Bruce Williams, Lt. Richard Rouse, all of Malmstrom AFB, and Lt. John Cameron of Hamilton AFB, Calif.

## Reaches Civilian Base

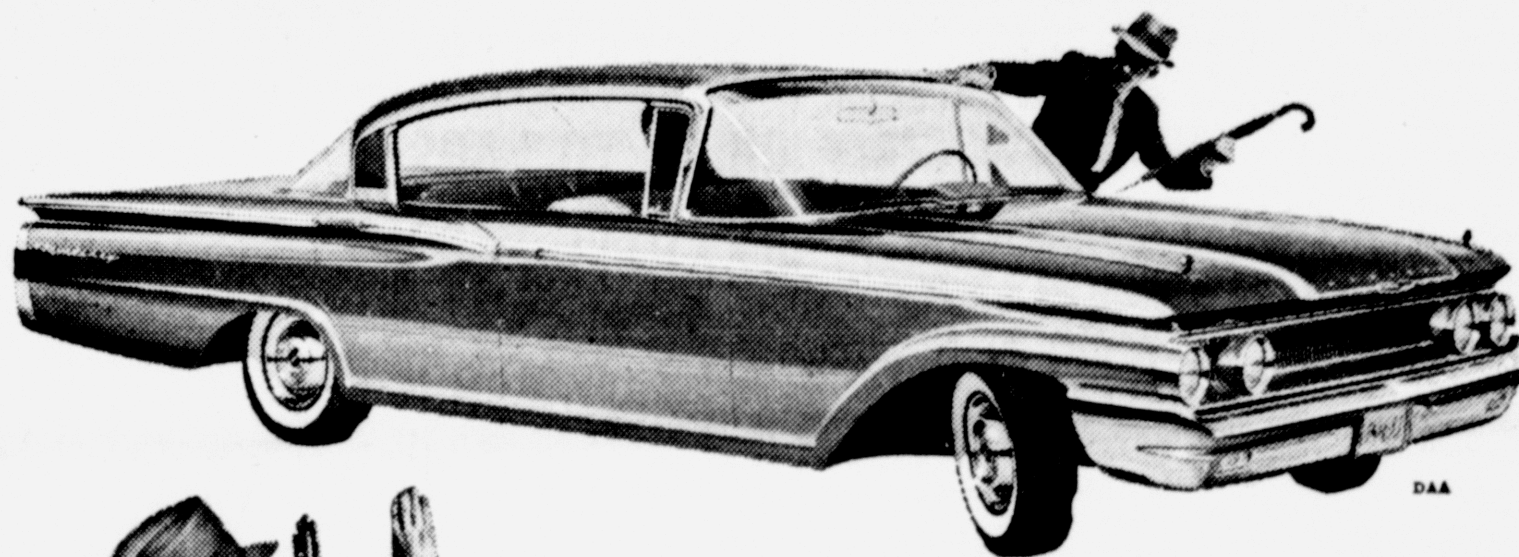

One airman who made it safely to a civilian base said: "We were in the process of running out of fuel. We landed at Billings out of self preservation."

The airman speculated that the planes which crashed did not have enough fuel to fly as far south as Billings.

Among the planes which also sought shelter in Billings were two Air National Guard craft and a T33 from Hamilton AFB.

Daniels is survived by his parents, Mr. and Mrs. Gerald M. Daniels of Hayward, Wis., and his widow, Daryen, and four children, at Great Falls. Murtha is survived by his parents, Mr. and Mrs. James Murtha of New York City, and his widow, Helen Ann, of Great Falls.

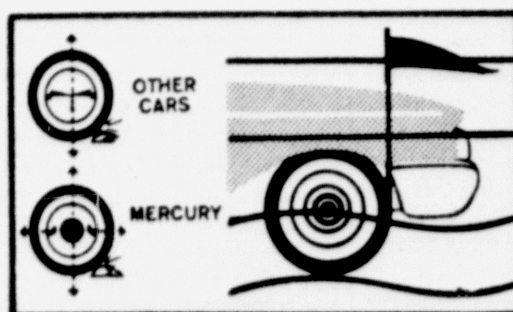

"It's true! Mercury costs a lot less this year!"

"All this beauty—and now priced within \$50 of Fords, Chevrolets and Plymouths!"

Your first look at the new Mercurys on our showroom floor will tell you something fine has happened. We call it a classic design. Briefly, we mean that every detail, from every angle, marks this as a trim, tasteful, quality car. Now take a look at the price sticker on the windshield. The happy fact is Mercury actually is priced beneath every car in its field, priced within \$50 of leading "low-price name" cars. Can you afford not to consider Mercury?

\*Based on manufacturer's suggested base list price for Mercury Monterey 4-door Sedan and comparable V-6 powered 4-door Sedan models of premium "low-price name" cars.

WITH ROAD-TUNED WHEELS FOR SMOOTHEST RIDE  
Wheels "give" in four directions, not just two. On every bump, wheels roll with the punch, absorb a beating you take in other cars. We say you can't find a bumpy road in a Mercury.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTY YEARS AGO

Local Secret Orders Busy:  
Gettysburg Camp 404 P.O.S. of A. cleared about \$100 on the excursion run to Baltimore on October 30. Several new members have been initiated during the past few months. D. C. Stallsmith has resigned as captain of the degree team and financial secretary. S. G. Spangler has been elected to the former position and C. B. Kitzmiller financial secretary.

Gettysburg Camp 7963 Modern Woodmen of America will have one of the state officials and one of the national officials here on December 15 to outline plans for future work.

Gettysburg Aerie 1562 Fraternal Order of Eagles initiated about fifteen new members during the past few months and the aerie is in a prosperous and flourishing condition.

Battlefield Council Order of Independent Americans initiated six new members during the past few weeks and will take in several more next week. The financial status of the order is unusually good and a good winter is looked forward to.

Gettys Lodge 124 Independent Order of Odd Fellows started their work for the winter two weeks ago and have already taken in several new members. Here, too, the prospects are for a successful winter. The new ritual is proving very acceptable to the members.

Hunting Season Successful:  
The hunting season in Adams County up to this time has proved one of the best ever recorded. All of the nimrods have come home after a day's outing with their bags full of rabbits, squirrels and other game.

The opening of the squirrel season before that for the cotton-tails took a large number of hunters out to the woods in October but since the open season for rabbits came in the hunters are devoting most of their attention to them, letting the squirrels go.

Although the rabbit season opened two weeks later this year than last, there is still considerable complaint about it being too early. The weather has been too warm, say the hunters, for good sport, and the animals are not as good to eat as they will be later on.

Notwithstanding this the county woods have been full of nimrods for the last ten days and hundreds of bunnies have fallen prey to their skillful marksmanship. The first day of the season Bensenville reported 250 kills and New Oxford 100.

Pheasants are as scarce as ever and up to this time reports of less than a score killed have come to our office. Quail are becoming somewhat more plentiful and some good bags have been made.

Wild turkeys are seldom shot in Adams county.

Small Blaze On Middle Street:  
A fire alarm shortly after eleven o'clock this morning brought out the fire department, several hundred November Court followers, and a large number of citizens in about sixty seconds. The fire, which amounted to very little, was at the house on East Middle Street, tenanted by William Robinson and owned by Aaron Shelby.

Town Laymen Are Working:  
A meeting was held in the College Lutheran Church on Monday evening to interest the people of the town and county in the interdenominational Laymen's Missionary Movement. The meeting was fairly well attended.

The following committees were chosen, representing all of the denominations in town, to get delegates to attend a convention to be held in Harrisburg November 23 to 24, it being expected that every minister in the county with at least one lay delegate from his church will be present:

Reformed: H. T. Weaver, H. C. Sanders, William H. Frey, Methodist, Milton Remmel, Prof. W. A. Burgoon, Duffield Ridinger, Lutheran, E. P. Miller, I. L. Taylor, E. William Bream; United

## Today's Talk

**WHO OWES THE MOST?**  
A great deal is said on both sides of the subject as to who owes the most, the world or the man in the world. Well, I think the man in the world owes the most — always! The world, and all there is in it, is an inheritance given over to each man. Some, it seems, take it more seriously than others. To them go the large rewards and prizes.

But believe this: that life is what you make it. You are accountable to yourself, first of all, for the good or ill you do in this world.

The ordinary person, I think, exaggerates his petty mistakes and errors and imagines the whole world is set back. The fact is, the world will pay very little attention — if you go right ahead and forget.

Like sculptors, each day we carve a living form. And, like cutters of the stone, we can smooth over here and take out there, and the completed figure is the better for it. But — if the chisel, in carelessness cuts too deep, or, under bad control, cuts too far — ah, then the world may know.

Be fair with life. Think of all it has given you. Think of all it holds out to you.

Almost every day I discover people who are giving this strange and wonderful old world a lot of surprises. Because they believe that life is what you make it.

Tomorrow Mr. Adams will talk on the subject: "Brands"

Protected, 1959, by The George Matthew Adams Service

## Just Folks

**SERVICE**  
To the cause one man gave gold.  
Then withdrew into his den  
From the battle line, and told  
How he served his fellowmen.

When they came and begged for aid  
Gladly from his purse he gave,  
And he hoped that those he paid  
Would continue being brave.

"To the cause," another said:  
"I've no gold that I can give,  
But I'll fight for it instead  
Just so long as I shall live."

Day by day and night by night  
He that had no gold to spare,  
In the thickest of the fight  
Fought and cheered his fellows there.

There are hundreds here to share,  
For a principle, their self;  
But he better serves who'll dare  
To a cause to give himself.

This world does not need your coin  
Half so much as it needs you.  
What it wants is men to join  
In the work it has to do.

Protected, 1959, by The George Matthew Adams Service

November 7—First quarter.  
November 15—Full moon.  
November 23—Last quarter.  
November 30—New moon.

Brethren, D. F. Coleman, G. E. Spangler, Charles G. Miller; Church of the Brethren, J. B. Weinman, Levi Diehl, J. D. W. Dearborn; Episcopal, Judge McClean, Raymond Topper; Presbyterian, Calvin Hamilton, W. A. McIlhenny, Theodore McAllister; Mr. Bream was chosen chairman Prof. Burgoon secretary and Mr. Taylor treasurer.

The committee will meet at six o'clock Wednesday evening in the lecture room of the Presbyterian church.

**Big Fire On The Mountain:** The worst mountain fire which has ever visited the section around Clear Spring in the memory of the oldest inhabitants there is raging on three mountains there. The fire began on Sunday evening and has been burning with more or less fury for the last five days. The fire originated near Hanging Rock and is believed to have been of incendiary origin. It is estimated 1,500 to 2,000 acres or more has been burned over and the loss will run into the thousands.

**Says Lawrence Is 'Too Conservative'**  
PITTSBURGH (AP)—Democratic Allegheny County Commissioner John J. Kane says that his long-time political associate Gov. David L. Lawrence, has become too conservative.

Kane told newsmen Monday that Democratic leaders will meet in January in an attempt "to rebuild the party along traditionally Democratic lines."

He declined to give details of his beliefs about Lawrence and his followers, but said: "I'll be in a better position to speak out on this issue after I leave office."

Kane is serving the final two months of a 24-year reign as commissioner.

## APPROVE VOTE RECORDER IN STATE HOUSE

HARRISBURG (AP)—A six-member committee is working out details for installation of an electronic vote recorder in the State House of Representatives.

Gov. Lawrence Monday signed into law a measure authorizing the time-saving device.

Such an installation would be required only in the House where a voice roll call of its 210 members requires almost 20 minutes. It is estimated the electronic device could do the same job in a matter of a few minutes.

**Other Measures**  
Other new laws signed by the governor will:

Call for the licensing and operation of child day care centers and family day care homes.

Raise the compensation of persons called to serve as coroners' jurors from \$4 to \$7 per day.

Authorize third class county commissioners to appoint two additional assistant county solicitors and, with the approval of the court of common pleas, special counsel.

Permit inclusion of the estimated cost of a treasurer's bond and the auditing of his accounts in the estimated cost of classes for the handicapped operated by county boards of school directors.

**No Gas In Glass**

Make it a criminal offense to sell gasoline in glass containers.

Allow teachers' associations or federations to avail themselves of group life insurance plans.

Authorize the State Highways Department to erect signs warning of penalties for throwing trash on highways.

Provide that the majority of residents of an independent school district which is abolished decide which other school district they shall become a part of when the old district is within the boundaries of more than one school district.

## U.N. SECRETARY GOING TO LAOS DESPITE REDS

By TOM HOGE  
UNITED NATIONS, N.Y. (AP)—Secretary-General Dag Hammarskjöld leaves for troubled Laos tonight despite a sharp Soviet protest that his trip can only complicate the situation.

Outwardly ignoring Moscow's growing annoyance over his taking an active role in the Laotian issue, Hammarskjöld plans to spend a week in the Indochinese kingdom to learn first hand about its troubles with Communist rebels.

The Soviet Union complained publicly after the secretary-general informed the 11-nation Security Council by letter that he might leave a personal representative in the embattled country.

Soviet delegate Arkady Sobolev in a reply to Hammarskjöld rejected his reasons for making the trip and possibly leave a "U.N. presence" in Laos.

**Secretary Silent**

"All such steps," said Sobolev, "cannot be considered otherwise than attempts to use the United Nations for covering the actions of certain powers, aimed at complete liquidation of the Geneva agreement of 1954 which cannot but entail dangerous consequences for peace in Southeast Asia and in the whole world."

The U.S.S.R. has demanded revival of the International Control Commission, composed of Canada, India and Poland, set up under the 1954 Armistice which ended the Indochina war.

Hammarskjöld declined to comment on the Soviet letter.

Hammarskjöld decided to go to Laos last week after a subcommittee of the Security Council reported that it had found no evidence that North Vietnamese had invaded Laos to help the Laotian rebels.

On June 25, 1951, Samuel Gompers was elected president of the AFL for the 40th time, defeating John L. Lewis 25,022 votes to 12,324.

Auctioneer, Simon Smith

## Public Apathy And Booming Population Point To Future Droughts In Certain Areas

**EDITOR'S NOTE**—Spreading suburbs and an influx of new industry have created shortages of water in many parts of the United States. Here's the first of three articles on the national water problem.

By JOHN R. MORGANTHALER  
SACRAMENTO, Calif. (AP)—

From Texas across 1,200 miles of high plateau and desert to the Pacific, one common question haunts thoughtful leaders in growing Southwestern communities: Where can we get more water? This fall there is no shortage. But it's coming.

Right now most people don't seem concerned.

Two and a half years of good rains have built New Mexico's ground water supply nearly back to its level before the searing drought of 1956-57. If the rains of recent years continue, Texans don't fear a water shortage in the immediate future. Arizona has had enough water since 1957.

**Worries Arise**  
But all across the arid Southwest and West, where average annual rainfall is under 20 inches and in some regions under 10, town planners are worried about water and the politicians and special interests are fighting over it.

The reason: the population boom.

California has 15 million people today. It expects 28 million by 1980.

Texas uses three million acre-feet of water a year for its homes and industries. It expects an urban demand of eight million acre-feet 40 years from now. Texas farmers now use four times as much water as the cities. Will their demands nearly triple too?

**Population Difference**  
In New Mexico, Arizona and Nevada the problem is less pressing, because those states are not yet swarming with people. But water is the key to their growth, and their turn will come.

In California, the water issue has dominated state politics for years. Last spring a bare majority of the Legislature finally agreed on a water plan, and put it up to the people. November 1960 is the time of decision.

The people will vote on the plan to issue 14 billion dollars in state bonds to finance the Feather River project, first unit of the California water plan.

**Opposition Fight**  
A year before election, the outcome is not at all certain. There is strong opposition, and a threatened fight over the proposal's omission of guarantees against "unjust enrichment" of corporations and private utilities.

The Feather River project is just the first unit of the California water plan—a bold 11-billion-dollar scheme involving 260 major dams to be built over the next 100 years.

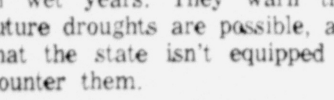

The engineers who designed it say there is enough water in the state to support 40 million people, if properly stored and distributed.

**No Plan**  
Texas hasn't yet agreed on a master plan. Its Board of Water Engineers is working on one with a 1963 deadline. It's already behind schedule. The Legislature cut its budget by \$800,000 for 1960-61. A federal commission is hoping to complete a master plan for Texas by July, 1961. This fall Texas reservoirs are 90 per cent full—a mark they have held since the worst drought in Texas history started to break three years ago.

The state has 38 reservoirs under construction or in the talking stage.

Officials complain of public apathy toward water development in wet years. They warn that future droughts are possible, and that the state isn't equipped to counter them.

Djebel Toubkal, highest peak in the High Atlas mountains of North Africa, rises to 13,664 feet.

## EXPANDING U.S. INSTITUTIONS NEED BILLIONS

By G. K. HODENFIELD  
AP Education Writer

ST. LOUIS, Mo. (AP)—American colleges and universities will need 33 billion dollars to expand facilities over the next 10 years and the federal government will have to provide most of the money, a university president said today.

"The question we face today is not whether there will be federal support but what kind it ought to be," C. Clement French of Washington State University told the convention of the American Assn. of Land Grant Colleges and State Universities.

"We have talked in generalities too long," said French, president of the association. "I think this is a luxury we can no longer afford."

**Must Face Problem**  
Whether educators like it or not, he said, "we must face squarely the fact that the solution of this problem, if it is to be made in time, must be substantially a federal one. We may deplore the inability of our state to support us adequately, but deploping alone will not solve our problems."

French said many present federal aid programs do more to compound college problems than to solve them.

**Trout-Elswick**  
Wedding vows were exchanged by Miss Sandra Lee Elswick, daughter of Mrs. Harold E. Grein, Stewartstown, and Nevin Jay Trout, son of Mr. and Mrs. Walter L. Trout, Felton R. 1, at 2 p.m. Saturday at Stewartstown Methodist Church. The Rev. John F. Buehler, pastor, officiated at the double-ring ceremony.

The bride is a graduate of Kenard-Dale High School and attended Baltimore Institute and Strayer College. Her husband is a graduate of Red Lion Area High School and Gettysburg College and is now a senior at Dickinson Law School, Carlisle.

**Remove Kidney Of 5-day-old Baby**  
PITTSBURGH (AP)—Removal of a kidney is a serious operation for an adult, and it was even more serious for Richard N. Auen Jr. He is less than a month old.

Richard was born in Magee Hospital Oct. 14 with a suspicious lump in his abdomen, and X-rays failed to disclose the trouble.

Doctors cut into Richard's abdomen when he was only five days old and found a rare birth defect, a polycystic kidney, or water-filled sacs instead of a kidney.

Doctors promised Richard's parents, Mr. and Mrs. Richard N. Auen that their son can look forward to "a full life with no restrictions."

Retail prices of food in the United States rose 4.3 per cent from December, 1952 to December, 1958.

## DEATHS

By THE ASSOCIATED PRESS  
ATLANTA (AP)—Earle R. Lewis, 74, retired assistant general manager of the New York Metropolitan Opera Co., died Sunday of a heart attack. He had been associated with the Met for 42 years until his retirement in 1951. He was born at New York City.

TEAGUE, Tex. (AP)—William R. Boyd Jr., 74, a founder and former president of the American Petroleum Institute, died Friday. He was born at Fairfield, Tex.

MINOT, N.D. (AP)—Arthur C. Townley, 79, founder of the Non-Partisan League, a farm reform movement which was started 40 years ago, was killed Saturday in a car-truck accident. The league, and Townley, became a high controversial political force in the Midwest. He was born near Browns Valley, Minn.

NEENAH, Wis. (AP)—Martha Fraser Parker, 57, wife of Cola G. Parker, former president and chairman of the board of Kimberly-Clark Corp., died Friday after a short illness. Parker also is a past president of the American Paper & Pulp Assn. and the National Assn. of Manufacturers.

HOLLYWOOD (AP)—Victor McLaglen, 72, academy-award winning movie actor, died Saturday. He won the award for the best actor of 1935 for his classic portrayal of the pathetic Gypo in "The Informer." He was born in England and came to Hollywood in 1924.

**Other Driver Burned**  
Dead were Earl Martin and his wife, Myrtle, their son and daughter-in-law, Richard and JoAnne Martin, all of Prophetstown; the elder Martin's daughter and son-in-law, Jean and Willard Hartshorn of Rock Falls, and truck driver Edward P. Hirsch, Clinton, Iowa.

Robert Tankersley, 26, of Chicago, driver of a United Parcel Service semi-trailer truck, was taken to a hospital in nearby Amboy with severe burns and lacerations. Hirsch was driving a Pillsbury Milling Co. tank truck loaded with soybean oil.

The driver of the other truck, also a loaded Pillsbury oil truck, was not hurt and was not immediately identified.

## IKE TO SPEAK IN L. A. IN JAN.

WASHINGTON (AP)—President Eisenhower will speak at a Republican fund-raising dinner in Los Angeles Jan. 27, the White House announced Monday.

The Republican National Committee had announced previously that Eisenhower would participate in a program of dinners set up for that date.

The Los Angeles dinner will be held in the Pan Pacific Auditorium.

Asked why Eisenhower chose Los Angeles for his appearance, White House press secretary James C. Hagerty told reporters: "Well, I guess he liked to go out to Los Angeles. He said he knew of no plans for Eisenhower to extend the visit to the coast, either before or after the speaking engagement."

California is the home stamping ground of Vice President Richard M. Nixon, top contender for the Republican presidential nomination next year.

Nixon will be speaking in Chicago Jan. 27. His chief rival for the Republican prize, Gov. Nelson A. Rockefeller of New York, will address a party dinner in Washington.

**MAN FOUND DEAD**  
WAYNESBORO, Pa. (AP)—Harold R. Weagley, 50, of Waynesboro, was found dead of a heart attack Saturday night in a field near here where he had been hunting, state police reported.

The Thames, principal river of England, is 21 miles long.

## McDevitt Snaps Delone's Five-Game Winning Skein With Upset 6-0 Triumph

The Bishop McDevitt Crusaders of Harrisburg (3-5) outclassed the Delone Squires (6-3) Monday night and managed to squeeze out a 6-0 decision before 3,000 fans on the McDevitt Field. A five-game winning streak of Delone was snapped via the loss.

Offensively the Crusaders rolled up 244 yards to the Squires 35, and 18 first downs as compared to Delone's one. McDevitt executed 76 plays, 40 of which were run off in the first half. Delone got a chance to use nine plays in the first half and a total of 34 during the game. Even though the game was a one-sided affair offensively, Coach Buckley Kempton's squad was able to buckle down deep in their own territory on several occasions and hold the fast moving Crusaders from scoring.

McDevitt took the opening kickoff on its own 45 and marched 44 yards to the Delone 11 on short ground gains through the center of the line, in particular of the right guard and tackle slots. On the 11, McDevitt halfback Ed Proctor fumbled and Delone's Pat O'Brien recovered. The Squires picked up their only first down of the night when they moved the ball out to the 21 on two one-yard gain by fullback Chick Livelsberger.

**Smash Line Steadily**  
Cyril Hockensmith, who was injured and used only in the punting role, booted the ball and once again the Crusaders had the pigskin on their own 38. The home team put on a drive of 62 yards to tally their lone TD. Again it was the effective short gains through the line which proved the deciding factor. The longest gain on the drive was an eight yard jaunt off right guard by Dick Esser. With the ball resting on the Delone five, fleet halfback Rudolph Radacaj skirted right end for the touchdown with 4:31 minutes remaining in the half. Tom Furjanic's placement attempt was low.

Following the kickoff Delone was once again forced to punt from its own 20. McDevitt gained possession on its 48 and began to move the ball toward the Squire goal. This time quarterback Bill Zuma went to the air completing his only two passes for five attempts. End Bob Blake received the first aerial for 13 yards to the opponents' 37 and end Dick Franklin caught the second for 14 yards. McDevitt advanced to the Delone 3 and Zuma tried three more passes before the clock ran out and all were incomplete.

The entire third period was played in Harrisburg territory because of the fine punting of Hockensmith.

**Miss Scoring Chance**  
As the fourth quarter got underway Delone received its only scoring opportunity but it lasted only a short time. With the ball on the McDevitt 29, Crusader Radacaj fumbled and Squire tackle Charlie Topper fell on the loose ball. Pat Sheaffer went off left guard for one yard and Livelsberger went through the same slot for another yard. Dave Topper then tried a jump pass but center linebacker Tom Furjanic intercepted and brought the ball out to the 30. From this point on Delone was forced to hold back the opponents from advancing to deep into their territory.

The loss was the first in the

**GUARDSUSPECT DID VERY WELL**

LOS ANGELES (AP) — USC Coach Don Clark says his aggressive guard, Mike McKeever, "played under a magnifying glass" against West Virginia Saturday — and turned in a fine performance.

Clark admitted he had a few words with McKeever "about his problems" before the game.

Mike was accused of using dirty football tactics after California halfback Ted Bates was injured in the previous Saturday's game. Movies showed McKeever fell on him out of bounds, and some Cal spokesmen accused the guard of elbowing Bates in the face.

"I didn't want to make a case out of Mike," Clark told the weekly football writers' luncheon Monday. "I just let him know he was going to be under inspection. . . I felt the officials might be over-critical."

He said the officiating was highly competent and Mike did a solid job. The Trojans won 3-0.

PITTSBURGH (AP) — The first winner of the Pennsylvania Pro Football Championship trophy will be decided in the Nov. 29 game between the Pittsburgh Steelers and the Philadelphia Eagles.

A business firm said Monday it would award the trophy to the team winning both games in the annual competition, or to the one scoring the most points in two games should each team win once.

The Eagles beat the Steelers 28-24 in the first game.

## Pimlico Meet Opens Friday

BALTIMORE, Md.—One of the special features of the opening of Pimlico on Friday will be the first public display of the three portraits of the three newest members of the National Jockeys Hall of Fame.

Oil paintings of Willie Shoemaker, Mac Garner and Carroll Shilling will be hung in the permanent Hall of Fame gallery which previously included 12 of the nation's greatest riding stars. The new portraits, like those which preceded, are by Henry Cooper of Pikesville, Md., one of the country's outstanding portrait artists.

Post time for the 28-day meet, which runs through December 15, will be 1 p.m. Included in the eight stake races and features will be the Pimlico Futurity on Saturday, November 21.

## CHOOSE BOWL 11 AT AUSTIN ON SATURDAY

AUSTIN, Tex. (AP)—The only thing that appears anywhere near certain about the Texas-Texas Christian football game here Saturday is that it will produce a bowl team.

This has been going on for a long time. In the past 18 years a bowl team or two has come from this gridiron battle 14 times.

If Texas wins it, the Longhorns will lose the Cotton Bowl. If Texas loses Texas Christian might make the Cotton Bowl — or at least some bowl. For that matter Texas might make some other bowl, too.

**Lots Of Bowl Experience**  
These are the two bowlsting teams in the Southwest Conference anyway. TCU has been in 10, Texas eight. TCU has been in the Cotton Bowl more than anybody, with six appearances. Texas is second with five.

The Texas-Texas Christian game usually is a good one and this one should be no exception. Texas is favored because of its undefeated, untied record. But Texas Christian has a pretty good record itself. The Horned Frogs have won four straight games and are considered the only outfit in the conference capable of stopping the speed and versatility of Texas.

TCU often has been a Texas Nemesis. In 1929 when the Frogs, quarterbacked by Howard Grubbs, now secretary of the Southwest Conference, first won over Texas it was the Longhorns' only loss of the season. It was the same in 1941 and in three years—1932, 1941 and 1944 — TCU knocked Texas out of the championship.

## PROPOSE AIR OIL, GAS TESTS

HARRISBURG (AP)—A Democratic Senate leader has proposed that the state provide \$100,000 for an aerial magnetometer survey of oil and gas fields in Pennsylvania.

The proposal was introduced Monday by Sen. Charles R. Weiner, Democratic floor leader.

The survey, which would be known as the Col. Drake Centennial Memorial Survey, would include Erie, Crawford, Venango, Warren, Mercer, Forest, Potter, Tioga and McKean counties. It also would survey the Pennsylvania portion of Lake Erie and as much of the counties of Lawrence, Beaver, Butler, Clarion, Elk and Jefferson as necessary or advisable.

The purpose of the survey is to obtain geological information needed to stimulate exploration for deep deposits of oil and gas. The money also would be used to provide an interpretation and publication of the survey.

## LIFT UNION BAN

WASHINGTON (AP)—Commercial coal operators are free to handle coal from mines paying substandard wages pending a court test.

A union ban against coal operators handling coal from such mines has been lifted, it was learned Monday.

John L. Lewis, president of the United Mine Workers Union, agreed with owners to drop the key provision of the union's 1959 contract pending legal clarification under the new Federal Labor Relations Law.

HOLLYWOOD (AP) — Eva Byron, 8, wife of singer George Byron and the widow of composer Jerome Kern, died Saturday. She was born in London. Kern died in 1945.

## DOELLING SETS RUSHING MARK FOR PENN STATE

By JACK CLARY  
Associated Press Sports Writer

The big reason for Penn's unexpected success this season can be traced to its new household word on the gridiron — Fred Doelling.

The senior halfback from Valparaiso, Ind., has been Mr. Offense for the Quakers, who sport a nifty 5-1-1 record and are only two stops from their first Ivy League title in seven years.

Doelling established a school career rushing mark last Saturday in Penn's 23-12 victory over Yale. The 5-11, 185-pounder ran nine yards in his final play of the day and broke the all-time school rushing mark of 1,389, set by Tony (Skippy) Minisi during 1945-47.

**Curbed By Leg Injuries**  
Actually, this came as no surprise. Doelling was a marked man after the first few games as a soph and when he finished the 1957 season with 511 yards in 93 carries, Penn's followers began to dream about happy days.

However, leg injuries hampered him most of last season and he wound up with only 340 yard rushing, but tossed in 91 more yards on six pass completions. Most of the rushing yardage came in three games — 70 in a 19-6 victory over Harvard, 100 in a 30-6 triumph over Yale and 105 in a 42-0 romp of Columbia. Included in this last figure was a record-making 87-yard scramble, the longest ever from scrimmage for a Penn back.

This year Doelling has done yeoman duty. He scored both touchdowns in Penn's 13-0 victory over Dartmouth; got a TD and 130 yards in Penn's 3-9 victory over Brown. He actually out-gained Princeton, Dartmouth and Brown in three of Penn's victories.

**Lose Fullbacks**  
Michigan State was hurting for a fullback for Saturday's Big Ten clash with title-hopeful Northwestern. Regular Blanche Martin is sidelined with a shoulder injury. No. 2 fullback Carl Charon is out for the season with a broken ankle suffered last Saturday against Purdue.

Harvard lost center Pete Eliades for the season with a broken hand while Notre Dame Coach Joe Kuharich ruled out all contact drills this week prior to Saturday's meeting with Pitt.

Northwestern had guard Joe Abbatiello back after he missed last Saturday's upset loss to Wisconsin.

## 3 BROTHERS DIE IN FLAMES

COATESVILLE, Pa. (AP) — An oil stove apparently exploded into flames and quickly engulfed a two-story house here Monday, killing three young brothers.

Firemen said a neighbor was so excited when she called in the alarm that they misunderstood the address.

Westend Fire Co. of Coatesville went to Newlandville, a mile southwest of Coatesville and two miles from the blazing home. The nearby Westwood Fire Co. raced to Pomeroy, five miles in the wrong direction. It was about seven minutes before a third company, the Brandywine Fire Co. of Coatesville, arrived at the scene.

All of the victims were Negroes. The victims were James Haywood, 4, and his brothers, Michael 2, and Bruce 1.

Their mother, Dorothy, escaped from the house. Firemen tried to enter the building to rescue the children but massive flames forced them back.

Some 125 volunteers from six companies fought the blaze more than an hour before bringing it under control.

The children's father, Joseph, and another sister, Rita, 13, were not at home at the time.

SAN FRANCISCO (AP) — A group of golfers fresh from the Ryder Cup matches at Palm Desert, Calif., headed by plane today for Australia and the Canada Cup matches there later this month.

At the same time, the legislation would permit delinquents to repay their overdue taxes in five equal installments, payable each year by Dec. 31 and starting the end of this year.

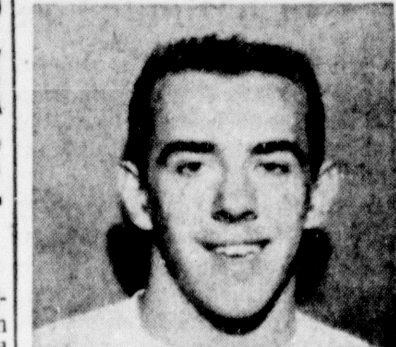

TOKYO (AP) — Americans Barry MacKay and Myron Franks, sweeping into the quarterfinals of the Japan national tennis championships, today face tough battles from Japanese and Filipino stars.

MacKay, 24-year-old Davis Cupper from Dayton, Ohio, blasted Japanese Davis Cup player, Yoshihisa Shibata, 6-3, 6-4 and Franks, of Los Angeles, topped Kaname Kobayashi 3-6, 6-4, 6-2, 6-6 Monday.

KANSAS CITY (AP) — Harry Craft has a new job with the Kansas City Athletics — in the club's player development program.

Craft's contract as manager was not renewed in September after he'd served a season and a half. Parke Carroll, A's general manager, described Craft's new work as scouting and trouble-shooting. The club hasn't appointed a new pilot.

## Millersville Star

Tom Crist, former Gettysburg High School all-around athlete and son of Mr. and Mrs. Edward C. Crist, 2 Elm Ave., has impressed Coach George A. Katchmer, and his coaching staff at Millersville State Teachers College with his spirit and fine all-around play. While seeing limited action on the varsity, freshmen being eligible at the school, Crist is playing regular on the freshman squad which has a tough schedule against such opponents as Bainbridge Naval Training School, Montgomery Junior College, Stevens Trade, F. and M. Freshmen and Kutztown jayvees. Crist has adapted himself very well to date, according to reports from Millersville, and the coaching staff visualizes a bright future for the speedy 5-6, 160-pound back.

## ELGIN BAYLOR HIGH SCORER IN NBA LOOP

NEW YORK (AP)—Elgin Baylor, the remarkable Minneapolis sharp-shooter, grabbed the National Basketball Assn. scoring leadership when he set an all-time single game record of 64 points against Boston Sunday night.

Statistics from the NBA disclosed today that Baylor, who poured in 165 points in four games in the last week, boosted his season total to 328 for nine games, a 50-point margin over the erstwhile leader, Jack Twyman of Cincinnati, who has played one less game.

**Top Mark**  
Baylor's 64 points Sunday—topping the all-time mark of 63 set by Philadelphia's "jumpin' Joe" Fuiks 10 years ago—also pulled him even with Will Chamberlain of Philadelphia in per-game pace. Chamberlain, who has played only five games, ranks third in the scoring with 102 points and he and Baylor now have the same per-game average, 36.4.

Boston players continue to dominate the other departments, with Bill Russell the leader in field goal percentage at 53.9 on 55 hits in 102 attempts, and in rebounds with 172 in seven games; and Bob Cousy, the assist leader, with 65 in seven games.

**Edge To Chamberlain**  
Chamberlain actually is grabbing rebounds at a faster rate than Russell with an average of 33 for five games to Russell's 24.6. Guy Rodgers of Philadelphia also looms as a strong challenger to Cousy, the perennial assist leader. Rodgers has 49 in 5 games, a 9.8 average compared to Cousy's per-game average of 9.3 for seven games.

Larry Costello of Syracuse is tops in free throw percentage with 26 of 29 for .896.

## Move To Eliminate Overdue Tax Fines

HARRISBURG (AP)—Bills wiping out penalties and interest on overdue local taxes were introduced in the House Monday night.

The legislation was intended to help striking steelworkers, said Rep. Jules Filo (D-Allegheny), a co-sponsor.

It applies to levies due for the 1958 taxing year and previous years.

At the same time, the legislation would permit delinquents to repay their overdue taxes in five equal installments, payable each year by Dec. 31 and starting the end of this year.

TOKYO (AP) — Americans Barry MacKay and Myron Franks, sweeping into the quarterfinals of the Japan national tennis championships, today face tough battles from Japanese and Filipino stars.

MacKay, 24-year-old Davis Cupper from Dayton, Ohio, blasted Japanese Davis Cup player, Yoshihisa Shibata, 6-3, 6-4 and Franks, of Los Angeles, topped Kaname Kobayashi 3-6, 6-4, 6-2, 6-6 Monday.

KANSAS CITY (AP) — Harry Craft has a new job with the Kansas City Athletics — in the club's player development program.

Craft's contract as manager was not renewed in September after he'd served a season and a half. Parke Carroll, A's general manager, described Craft's new work as scouting and trouble-shooting. The club hasn't appointed a new pilot.

## SLAUGHTER TO PLAY, MANAGE HOUSTON CLUB

HOUSTON (AP) — Baseball's ageless country boy—Enos Slaughter—steps down from the majors for the first time in 22 years next season.

He'll pilot the Houston Buffs in the American Association. But he says he'll still be in there taking his cuts as a playing manager—the swing that blasted out a .300 career batting average with four big league clubs.

"I'll never be too old to learn," the 43-year-old outfielder said at a news conference called by the Buffs for the announcement Monday.

**Willing To Listen**  
"I'll listen to the rawest rookie about things that might help him or me," and, he added, "I think I can be as tough as I have to be. All I want is for my players to give me 100 per cent."

Slaughter signed a one-year pact with the Buffs after obtaining his release from the Milwaukee Braves, with whom he finished the 1959 season. He spent the greater part of his career with the Cards before joining the Yankees in 1953. He also played for the Kansas City Athletics.

The go-getter old pro was the oldest active player in the majors at the end of last season, his 19th in the big time. He came up in 1937 and was in military service from 1943-45.

Slaughter played in 2,380 games during his major league career. Last season he notched a .171 batting average in 85 games with the Yankees and Braves, mostly in pinch-hitting roles.

## UP AND COMING UGLY DUCKLING ON WEDNESDAY

By GEORGE BOWEN  
Associated Press Sports Writer

LAUREL, Md. (AP) — A horse named Up and Coming from down under is in the role of ugly duckling in Wednesday's eighth running of the \$100,000 Washington, D.C. International.

When his U.S. trainer, Russell Downes of Wilmington, Del., got his first look at him in September, Up and Coming "was the saddest looking horse I had ever seen."

"He was in a state of nervous shock and dehydration," said Downes.

**Thrown Off Train**  
Up and Coming's appearance was due to a miserable trip from Australia, during which he twice hurt his hindlegs and was thrown off a train in Pennsylvania as an unruly passenger.

He had such a rough trip that the Laurel sponsors of the International waived their rule against any entry racing on the track before the event. Up and Coming ran at Laurel last Saturday, finishing fourth.

Before flying to the United States with another International entry and four kangaroos, Up and Coming had won seven major races in his native New Zealand and two in Australia to rate as top horse in his section of the world.

**Might Think Twice**  
Those leery of betting on him against the other International starters because of his sad shipping shape might think twice about last year's race.

Sailor's Guide arrived in similarly poor condition from Australia after 29 years on a ship. When Bowes Bond, his American trainer saw him at Atlantic City, N.J., he advised Laurel officials to notify the company which had insurance on the horse.

"He's ill, lying down and I don't think he's going to get up," reported Bond.

Sailor's Guide not only got up, but ran second in the International and was awarded first in a National fowl against Tudor Era.

## 3 ARE TIED FOR HOCKEY MARK

NEW YORK (AP)—Hot streaks have jumped Floyd Smith of Providence and Fred Glover and Ed Hoekstra of Cleveland into a tie for the American Hockey League scoring lead. Each has 20 points.

Smith and Glover each put away eight points in the past week, and Hoekstra, a rookie, picked up six official statistics showed today.

Smith has seven goals and 13 assists for 12 games while the two Barons each have nine goals and 11 assists in 16 games.

Bill Sweeney of Springfield, who shared the lead last week with rookie Stan Baluk of Providence, has topped his total four points to 19 before being called up by New York of the National League. Baluk is a point behind in fifth place.

Larry Wilson of Buffalo leads in goals with 11 while teammate Bob Bailey is the assist leader with 14.

Hershey's Bobby Perreault retained his lead among the goalies with a 2.50 goals-against average.

## KEENER VS. RADEMACHER

COLUMBUS, Ga. (AP) — Buddy Keener, 205, of Baltimore will replace Johnny York as Pete Rademacher's opponent in Wednesday night's heavyweight bout at City Auditorium.

Promoter Tony Scala said York is ill with a virus. Keener, he said, "should give Rademacher his toughest test since Zora Folley."

Scala said Keener sports a 15-3 record with 10 knockouts, 3 of them this year.

## Will Select One All-America Team

ATLANTA (AP) — The All-America selection committee of the Football Writers Assn. of America will meet Sunday in New Orleans to pick the 1959 team.

President Furman Bisher, sports editor of the Atlanta Journal, announced the meeting today. He noted that it will be the first such session held outside Chicago since the association was founded 21 years ago.

Bisher said a 22-man team will be chosen from recommendations of the 900 writer members of the FBWAA who already have been polled.

The team will be announced the first week in December in Look magazine.

## UP AND COMING UGLY DUCKLING ON WEDNESDAY

By GEORGE BOWEN

## SYRACUSE IN TOP SPOT ON AP GRID POLL

By JACK HAND  
Associated Press Sports Writer

Syracuse has taken over the No. 1 spot among the nation's football powers with a slender lead over Texas in the weekly Associated Press poll of sports writers and sportscasters.

Both Louisiana State and Northwestern, running one-two a week ago, were dumped from the ranks of the unbeaten last Saturday. LSU, the leader for 14 straight weeks, fell before a sturdy Tennessee team. Northwestern was beaten by Wisconsin in a battle for the Big Ten lead.

The race between Syracuse and Texas, both unbeaten, was decided by only 12 points, although Syracuse received 111 first place votes and Texas 85 of the 230 cast.

**Texas Second**  
Texas, a 13-12 winner over Baylor, picked up enough second, third and fourth ballots to finish a tight second.

Syracuse handed Penn

# THREE-MONTH LIMIT URGED ON SESSIONS OF LEGISLATURE

By LEONARD A. UNGER

HARRISBURG (AP) — Bipartisan support grew today for a plan to limit future sessions of the Legislature to three months.

Republican legislative leaders, eyeing the advent of annual sessions in 1960, came up with the idea Sunday night to preclude such legislative marathons as the 16½ month session in 1955-56 and the current one now in its 11th month.

Rep. Stephen McCann, Democratic floor leader, immediately endorsed the idea with one qualification. The limitation, he said, should be slackened somewhat every fourth year when a new governor takes office.

**Another Amendment**  
Berger said he would offer in the next week a Constitutional amendment to carry out the limitation. If approved in the current session and again next year, the question would go to the voters in the 1960 general election.

"This would put a definite limitation on the length of a legislative session, something we feel the people want in Pennsylvania, and still provide sufficient time to complete our legislative tasks," Berger told a newsman.

Berger said he was amenable to McCann's suggestion of providing for a longer session — but with a specified limit — in those years when a new governor is inaugurated.

**Not Enough Time**  
McCann said: "I don't believe three months is enough time for a new governor to set up his budget and have the legislature act on it."

Berger said there was a chance his proposed Constitutional amendment, now providing for a March 31 adjournment date, may be revised to fix a time limitation of 90 or 100 calendar days. New York has a 100-day maximum length for its annual sessions.

Pennsylvania voters gave final approval to annual sessions last Tuesday, making next Jan. 5 the opening date for the 1960 convocation. The 1960 session will be restricted to revenue and appropriation bills only, but Constitutional amendments also may be considered under a state Supreme Court decision.

**Present Windup Uncertain**  
During Sunday night's GOP con-

## Harney

Mr. and Mrs. Charles Clutz were the recent visitors of Mr. and Mrs. Harry Clutz.

Mr. and Mrs. Virgie Singer, Waynesboro, were recent visitors of Mr. and Mrs. Samuel Valentine.

Mr. and Mrs. Dalbert Spangler were recent visitors of Mr. and Mrs. Elmer LeGore.

Mr. and Mrs. Luther Valentine, Wilmington, Del., were recent visitors of Mr. and Mrs. Harry Clutz.

Mr. and Mrs. David Shildt and

ference, however, no decision was reached on whether to adjourn finally in the next two or three weeks or continue the present session until next Jan. 5. Democrats want to wind up in two weeks.

Sen. M. Harvey Taylor, Senate president pro tempore and powerful GOP leader, reportedly favors continuation of the session in a move to block assumption of Democratic control of the Public Utility Commission.

The five-member commission, now reduced to two Republicans and one Democrat by two vacancies, will fall under Democratic control as soon as:

—Gov. Lawrence makes two appointments which are confirmed by the Republican-controlled Senate, or

—The appointments are made when the Legislature is not in session.

Some 300 patronage posts, now in GOP hands, are at stake.

**Senate Holds Power**  
Republican leaders are divided on whether to adjourn the present session finally, opening the way for the two Democratic PUC appointments, or keeping the Legislature in session, thereby blocking the appointments.

But any appointments made by Lawrence between now and next Jan. 5 can be upset by Senate Republicans by the simple act of rejecting them in the 1960 session.

Berger said the GOP wants to see the huge \$1,417,000,000 General Appropriations Bill passed before a decision is made on a final adjournment date.

The bill, now the object of compromise efforts by a House-Senate conference committee, has been stymied for several weeks.

McCann said he would introduce legislation in the next few days to provide for an annual budget starting in 1961. The Commonwealth has been operating on a biennial budget since 1874.

The 1959-61 budget, still before the lawmakers, would be expected to be reviewed in 1960 with a view of making revisions to fit the prevailing situation.

# WANTS TROOPS TO QUIT CHINA, INDIA BORDER

LONDON (AP) — Communist China has proposed to India that the armed forces of both countries immediately withdraw 12½ miles from their disputed border.

The Chinese proposal was announced by the official New China News Agency and broadcast by Peiping radio.

Premier Chou En-lai made the proposal in a note delivered in New Delhi Sunday to Prime Minister Nehru. Chou also proposed that he and Nehru meet in the immediate future to discuss relations between the two governments.

**Nehru Quiet**  
There was no immediate reaction from Nehru who, after the note's arrival, met until midnight with his Cabinet defense committee and the Army chief of staff, Lt. Gen. K. S. Thimayya.

Peiping's note was delivered to the Indian Foreign Office a few hours after India made public a sharp message sent Red China six

son, Tommy, Littlestown, were recent visitors of Mr. and Mrs. C. M. Shildt.

Mr. and Mrs. Harry Cline, Greenstone, and Mrs. Harvey Wantz were recent visitors with their uncle, George Kump, Hampstead.

Mr. and Mrs. Harry Clutz, Mrs. Thelma Yingling, Donna Donald and John Shriver visited recently with Mr. and Mrs. Hugh Heaps.

Miss Virgie Bowers was the recent dinner guest of Mr. and Mrs. M. A. Shildt. Miss Bowers also visited with Mr. and Mrs. Lloyd Bowers.

Mrs. Leonard Kalbfleisch and daughter, Clare, Baltimore, visited recently with Samuel D. Snyder.

The Willing Workers Sunday School Class sponsored a hayride Thursday evening followed by a Halloween party in the parish hall. Games were played and contests held, refreshments were served. Chaperons for the occasion were: Mrs. Thelma Yingling, and Mr. and Mrs. George Shriver. Others present were: Sandra Wise, Thelma Ridinger, John Shriver, Donald Yingling, Laura Dom, Susie Welty, Dotty Bailey, Judy Koontz, Brenda Myers, Jeanette Lambert, Geneva Lambert, Susie Bowers, Linda Weikert, Alice Rogers, Joyce Strickhouser, Dick Hinderling, Junior Shildt, Dan Yingling, Gertrude Rosensted, Kenny Baker and Donald Sweeney.

# 4 Children Die In 8-Minute Fire

GOULD, Ark. (AP) — A stunned Negro mother of 12 stood in a dirt street and pointed toward the charred remains of her two-room frame shack.

"Right there," she whispered tearfully Sunday night. "Right there inside that door is where my children died."

Four of her 12 children died in the roaring flames that consumed the building in eight minutes. The mother, Mattie Lacy, 35, was away at a nearby grocery. Her common-law husband, Lucious Williams, 39, was in an outbuilding, authorities said. The cause of the fire was unknown.

The woman's mother, Nancy Lacy, 65, who lives nearby, picked up two other children and threw them into the yard as flames licked her face. She was walking by the house when she saw the fire.

MOSCOW (AP) — Premier Nikita Khrushchev says Americans are beginning to understand Russians and this is easing the cold war. "Some Americans say the only competition between us in the future will be economic, and I agree," he told reporters at a Kremlin party Saturday night celebrating the 42nd anniversary of the Bolshevik Revolution.

BAR LE DUC, France (AP) — A station wagon loaded with celebrators en route from a wedding to a party plunged into a canal near the village of Savoy Sunday night. Six persons were killed. Three passengers were thrown clear and escaped.

days ago accusing the Communists again of aggression.

Chou's note proposed that the two sides still maintain civil administrative personnel and unarmed police there.

But the Chinese Premier warned that if an appropriate solution is not worked out, clashes on the border may occur again.

The note said Communist China regrets that India disregards the "basic facts" of the boundary question and "adopts an attitude extremely harmful" to the two countries. Red China contends that India has been trespassing on Chinese territory. India claims Chinese soldiers have been attacking Indian forces on Indian soil.

The note sent to Red China last week was the sharpest attack Nehru has ever made formally against the Communist regime.

He accused Peiping of aggressive attitudes "reminiscent of old imperialist powers against whom both India and China struggled in the past."

# GIRL, 15, FALLS OR PLUNGES TO HER DEATH

NEW YORK (AP) — Susan Rosenfeld, 15, was going home from a date with a boy her parents had forbidden her to see. She was 30 minutes past the curfew they had set.

As she and Johnny Balsan, 18, hurried along a street in Astoria, Queens, early Sunday, they thought they saw her father. Susan hung back while Johnny walked ahead. She watched with terror while Johnny started fighting.

Panic-stricken, she ran into a building.

**Found 9 Hours Later**

Johnny found that it was not Louis Rosenfeld, Susan's father, but an unidentified teen-ager with whom Johnny had quarreled earlier at a dance. After the fight, he found Susan gone and decided she must have run home.

Meanwhile, Mr. and Mrs. Rosenfeld became worried. Rosenfeld sought out Johnny. The two began a search.

About nine hours later, police informed them Susan had been found.

Her body lay crumpled in a courtyard below the five-story building into which she had run. Police said she plunged from the building's roof. They called it an apparent suicide.

NEW YORK (AP) — Columbia University and Moscow State University will exchange five professors for one year on an experimental basis.

Dr. Grayson Kirk, Columbia president, said Sunday the exchange will allow visiting professors to observe research at host schools, engage in research of their own, participate in seminars and conferences, and teach.

WASHINGTON (AP) — Democratic National Chairman Paul M. Butler has told state party organizations to pay up their campaign contribution quotas or face poorer accommodations at the 1960 convention.

Butler issued a list of slow payers Saturday, and said 30 states and territories had paid nothing on their 1959 quotas.

**KILLED IN COLLISION**

BINGHAMTON, N. Y. (AP) — Mrs. Esther Estrada, 46, of Drexel Hill, Pa., was killed and her husband, Alfred, 54, seriously injured in a head-on auto collision near here over the weekend. Her husband suffered fractures of both thighs and the left arm and internal injuries in the crash Friday night.

# LOST CLIMBERS SAFE IN NEPAL

KATMANDU, Nepal (AP) — A Japanese mountain climbing expedition missing in the Himalayas is safe, the Nepalese Foreign Office announced Monday.

A statement said the 32-member party will return to Katmandu soon.

A five-man search party had left only Sunday to look for the climbers, feared lost in an avalanche.

The party vanished five weeks ago on 23,400-foot Mt. Gauri Sankar, named for the Hindu god of destruction. The peak is 35 miles west of Mt. Everest, highest in the world.

The Foreign Office announcement said a porter in a party sent to search for the climbers reported them safe. The climbers were at Menung village, a two-week trek from Katmandu.

# U. S. Fails To Catch 6th Space Package

VANDENBERG AIR FORCE BASE, Calif. (AP) — For the sixth time, something has gone wrong in the Air Force plan to make a flying catch of a space package over the Pacific.

The Discoverer VII satellite, launched here Saturday, was supposed to eject a heavily instrumented capsule Sunday after circling the earth 17 times. Planes equipped with trapeze-like catching devices were set to take off from Hawaii and try to snatch the 300-pound capsule as it came down on a parachute.

Discoverer VII achieved orbit, but the Air Force said power failure occurred in the electrical supply system that was to eject the capsule.

The Air Force also said the satellite was tumbling through space instead of following an even course. It is expected to remain in orbit only about two weeks.

**IKE AT DESK**

# BRIEFS

TUNIS (AP) — The republic of Tunisia, a struggling North African nation the size of Louisiana, has enthusiastically renewed the mandate of pro-Western President Habib Bourguiba.

An estimated 93 per cent of the country's 1,099,577 registered voters cast ballots Sunday for Bourguiba, who was unopposed in Tunisia's first nationwide presidential election.

UNITED NATIONS, N.Y. (AP)

— U.N. Secretary-General Dag Hammarskjöld leaves Tuesday to visit Laos and to learn first-hand about the Indochinese kingdom's troubles with Communist rebels.

He plans to return toward the end of next week. Diplomatic sources said he might leave a representative to supply further information. This would give Laos a "U.N. presence" for an indefinite time.

NORTH LITTLE ROCK, Ark. (AP) — A mother and her two children were fatally burned Sunday in an early morning fire which gutted their home while they slept. The father was critically burned.

Dead were Mrs. Bill Wright, 26, Mark, 6, and Colleen, 4. Wright, a commercial flying service official, was in critical condition with burns over 90 per cent of his body.

Friday and Saturday Only

Carlisle Street  
Gettysburg, Pa.In the Event of Ties,  
Awards Will Be  
Evenly DividedThis week's entries must be in  
The Gettysburg Times Office  
by 5 P.M. Friday.

The rules are simple. Read all the ads on this page. In each ad is the name of a prominent game being played next weekend. Study the merits of each team carefully, then print names and what you think the scores will be of each competing team, in the space provided on entry form to correspond to number in each advertisement. Feature game will be used to determine winners in case of ties. Use this entry form or a reasonable facsimile. Mail your answers, signed with your name and address (no nickname), to the FOOTBALL CONTEST EDITOR, care of THE GETTYSBURG TIMES, before 5 P.M. next Friday, October 9. If you mail your entry (the postage is 4c) be sure it is mailed in time to reach THE GETTYSBURG TIMES before 5 P.M. Friday. Be sure your entry has all 17 games. Judges' decisions are final.

MAIL This Entry Form to the Football Contest Editor of The Gettysburg Times, 18 Carlisle St., Gettysburg, Pa.

# Riding with Russell

REG. U.S. PAT. OFF.  
by FREDERICK C. RUSSELL  
Member S.A.E.

Is it too much to hope that they could use road hogs instead of monkeys for experiments in space travel?

Gas mileage continues to be a useful way of feeling the car's pulse, in addition to being a handy check on one's skill in driving economically. Improved gas mileage is a sign that the car is operating more efficiently and should give less trouble.

If the driving factor seems to be the reason for low gas mileage the first step is to fill up the gas tank and go over a prescribed run operating the car as skillfully as possible. Drive in time with traffic lights, avoid flash starts, get up to the car's easiest rolling speed quickly so as not to allow the automatic transmission to stay in the lower gears. Also try the car on the open road at a conservative speed. This should result in an improvement over city use, plus your emphasis on economy.

Any sudden drop in gas mileage is a tipoff to car trouble, and if there is a marked improvement it will be useful to know the reason. Perhaps that adjustment to the automatic choke was a step that should be taken more often. Possibly the automatic transmission has stopped slipping now that you have added oil.

A careful check on gas mileage is a continuous check on car efficiency, or the lack of it. You save more ways than one.

**Loopholes in Car Care**

Whenever I am asked if a mechanic should be held responsible for something that goes wrong with one of his customer's cars because of a missing bolt or failure to tighten something sufficiently I am reminded of the day I was making preparations for an extended trip. After loading up with gas I raised the hood for a final check and was joined by the filling station owner and his mechanic. We felt the fan belt for possible slack, made sure all high tension wires were properly snapped to the spark plugs, and in general surveyed the situation on the chance that we would find

appeared to be in readiness.

Seven hours later the car was in a roadside shop with the crankcase dry of oil. The top of the oil filter had come loose! Not one of us had thought to check the nut that held it in place.

"Trying two remedies at the same time may be a quick route to ending a car problem, at least temporarily, but this method leaves you with a question mark as to which one really did the trick. I do concede, however, that often you have to try several remedies to get results.

"If I am trying to get rid of a sticky valve, for instance, I first try some additive in the engine oil. If this doesn't clear up the situation, then I feed special tune-up oil to the engine while the car is running out in the open. I take off the air cleaner and pour the solvent directly into the air intake of the carburetor while the motor is being gunned. This way I can tell which of the two processes really helps. But of course if a traveler stopped by and needed immediate help I would give him both treatments."

**What's Your Trouble?**

Q. Should a car "creep" in Drive? I am referring to a car with an automatic transmission. Recently I had a tune-up, and I notice the car no longer creeps. H.G.S.

A. Creeping is no advantage. We often have to endure it simply because engines may stall if set to idle slower. Apparently your mechanic has hit it just right.

Q. My car has mechanical tappets which are giving me a lot of trouble. Can't seem to silence two of them. Any ideas? H.F.

A. At this point you will probably find that the valves for those particular tappets are sticking. They will need to be freed before you can hope to get a quiet adjustment.

Q. What would cause smoking from the exhaust when first starting the engine in the morning? Oil mileage is reasonably good. I do not notice smoking when

## BANK STOCK DELIVERED TO ITALIAN TOWN

SAN MARCO D'URRI, Italy (AP)—This out-of-the-way mountain hamlet has no phones, no automobiles, no policemen, only a single radio—and 284 stockholders in the world's biggest bank.

That's every man, woman and child in San Marco D'Urri, a village in the barren Apennine Mountains 30 miles south of Genoa.

Sunday each resident was given 25 shares of Bank of America stock, a block of stock worth about \$1,200.

**Over Mountain Trail**

Bank of America representatives hiked over a twisting mountain trail—the village's only link with the outside world—to deliver the \$340,000 worth of stocks for Victor and Joseph Saturno of Reno, Nev.

Their parents were natives of San Marco D'Urri. Although Victor and Joseph had never seen the village, they wanted to do something for it. Their father, Leopoldo Pietro Saturno, left the hamlet in 1878 when he was almost 20. He made a fortune in real estate in Reno before dying in 1919.

San Marco D'Urri has known little but poverty for years, and the gifts of stock suddenly made all the villagers rich in local terms.

The Avanzini family, which raised Leopoldo Saturno after he was orphaned as a small boy, still lives in the unbeaten stone farmhouse where he grew up. The family has five acres of barren farm land and four cows.

Now the seven Avanzinis have \$8,400 worth of stock, a nest egg they could not have built in years of hard work. Last year each share of Bank of America stock paid a dividend of \$1.80. For the Avanzinis that would have an income of \$315, probably enough to take care of their meager needs for most of the year.

The arrival of good luck in the hard luck village did not make everybody happy. An aged woman and her two sons suspected, "Someone wants to make fools of us." They refused to collect their shares. Aurelio Gandini, the bank's director for Italy, said the stock would be held for them until they changed their minds.

**UNION TOWN, Pa. (AP)—**About 36 men, women and children were treated for food poisoning Sunday after eating a ham dinner at a church celebration near Smock in Fayette County.

They were among 300 persons attending the 100th anniversary celebration of the Pleasant View United Presbyterian church.

**Helps You Overcome FALSE TEETH Looseness and Worry**

No longer be annoyed or feel ill-at-ease because of loose, wobbly false teeth. FASTEREETH, an improved alkaline (non-acid) powder, sprinkled on your plates holds them firmer so they feel more comfortable. Avoid embarrassment caused by loose plates. Get FASTEREETH at any drug counter.

### 4 State Firms To Face FTC Charges

WASHINGTON (AP)—Four Pennsylvania rug manufacturers are among 14 firms accused by the government of giving their biggest customers discriminatory price advantages.

The Federal Trade Commission charges the companies have quantity discount systems. As a result, the FTC said, small customers pay higher prices than greater volume competitors.

The four Pennsylvania firms accused are the Macee Carpet Co., Bloomsburg; C. H. Masland & Sons, Carlisle; Philadelphia Carpet Co., Philadelphia; and James Lees and Sons Co., Bridgeport, Pa.

The companies have 30 days in which to answer the complaints.

## Union Defies Court And Selects Hoffa

DETROIT (AP)—The home local of Teamsters Union President James R. Hoffa has defied the union's court-appointed monitors by nominating Hoffa for a new term.

The monitors, appointed by a federal court two years ago to supervise the union, have objected to Hoffa serving simultaneously as president of Local 299 in Detroit and international president.

The action was taken by about 700 of the local's 17,000 members at a nominating session Sunday.

Those at the meeting cheered a speech by Hoffa attacking the labor reform law and critics of the Teamsters Union who he said "are brainwashing the American people to believe that union leaders are czars, dictators, gangsters and hoodlums."

**RAWALPINDI, Pakistan (AP)—**Tribal unrest is reported spreading in Afghanistan as a result of government road construction, forcible disarmament of natives and a recent counter-revolutionary crackdown which elders say took 90 lives.

The revolt started in South Afghanistan. Elders of the Mangal tribe there say the late King Nadir Shah promised them no roads would be built in their territory, and they would never be disarmed. The Mangals feel roads infringe on their freedom.

**TEHRAN, Iran (AP)—**President Mohammad Ayub Khan of Pakistan arrived Monday for a 10-day state visit. From Iran he will go to Turkey for another official stay. Pakistan, Iran and Turkey are all allied in CENTO, the Central Treaty Organization.

**Heating Furnaces**

Most big companies began heating rodmaking blast furnaces and steelmaking open hearths 24 hours after mill gates swung open. Some expected to get iron from blast furnaces very soon.

Throughout the industry there was a gigantic effort to get all facilities producing as quickly as possible. Customers—many closed because of steel shortages—pressed for speedy deliveries.

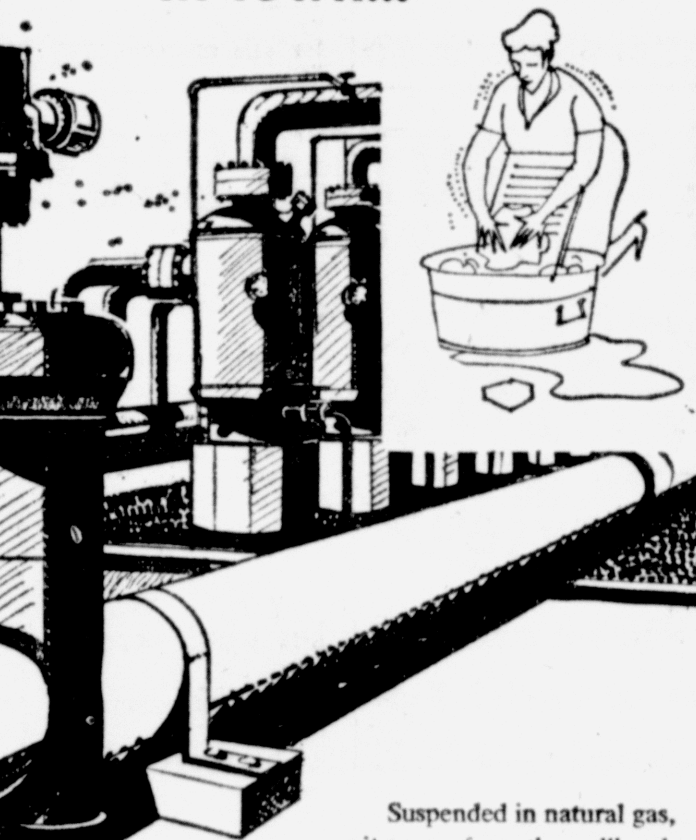

Producers could count on only 80 days of operations. If the labor dispute is unsettled when the injunction expires Jan. 26, workers could renew the strike.

**Court Strikes Match**

The U.S. Supreme Court figur-

## THIS, TOO, IS TEXAS EASTERN

# Scrubbing keeps natural gas the cleanest fuel in town...

Suspended in natural gas, as it comes from the wellhead, are a variety of hydrocarbon liquids, water and fine particles released from the deep-down formations of the earth. These are removed, for the most part, when the gas passes through processing plants before being delivered into our pipelines.

But, some minute particles linger on. And as the gas moves through the pipeline, it can pick up added foreign solids and liquid condensate in the pipe.

So, to filter out these elements, we "scrub" the gas at compressor stations along the line to assure that it will be clean on delivery. That means frequent "scrubbings" in tank-like devices that are called—aptly enough—"scrubbers."

There are three types of scrubbers. The "dry" scrubber (at top) is a 40-inch diameter tank containing a hundred or more small tubes through which the gas is whirled. As the gas goes through, foreign particles and liquids, being heavier, separate and drop out.

The horizontal scrubber (just above) uses oil-coated metal surfaces to trap foreign matter—plus a section that works on the dry scrubber principle.

The third is a three-phase oil-bath separator, in which the gas is first bubbled through an oil bath, then spun dry in a centrifugal separator, and, finally, passed through a mist extractor.

Scrubbed and rescrubbed many times, the gas we deliver to our customers—utility companies in a dozen or more states—can truly be said to be the "cleanest gas in town."

This is one of a series of monthly reports on the diversified activities of Texas Eastern Transmission Corporation.

## FIRST STEEL MOVING INTO MARKET TODAY

By JOHN MOODY

PITTSBURGH (AP)—Major producers edged the first small shipments of finished steel into delivery pipelines Monday—two days after an 80-day Taft-Hartley Injunction halted the longest strike in steel industry history.

The early shipments—gatherings of what was left behind when the 116-day strike began—meant little to customers already hurt by shortages. It still will be weeks before newly produced steel moves in significant amounts.

Thousands of the half-million strikers were called back to work over the weekend. Thousands more expected recalls early this week. Steel firms were reluctant to state figures—changes occurred too fast.

There was no indication that either the industry or the union

actively struck the match that rekindled mill furnaces. The court by an 8-1 vote Saturday upheld the injunction that had been stayed more than two weeks by United Steelworkers appeals.

Secretary of Labor James P. Mitchell, in a television appearance, Sunday said it will be up to Congress to keep the mills operating beyond Jan. 26 if a labor agreement still is beyond reach.

Mitchell said President Eisenhower would be ready promptly with recommendations to the lawmakers if the strike is resumed. He refused to hint what the recommendations might be.

**No Negotiations**

There was no indication that either the industry or the union was in a mood to make major concessions. No negotiations were scheduled.

The union continued to press for wages and fringe benefits that steel executives said would be inflationary. Workers were earning an average of \$3.11 an hour when the strike started.

The companies held on to demands for contract changes that would give management more say over working conditions in the mills. The union has fought this proposal since it was first made.

Joseph F. Finnegan, director of the Federal Mediation Service, said he soon would contact both sides regarding new negotiations. The injunction specifies collective bargaining must be continued.

# NO TRESPASSING

All persons are warned not to trespass on the premises of the undersigned with dog, gun or trap for the purpose of taking game in any manner or for fishing or any way injuring or destroying property. All persons violating the laws of the Commonwealth with regard to trespassing on land of the undersigned will be dealt with under the provision of the Act of June 24, 1939, P.L. 872, Section 954.

# WEST COAST CRANBERRY GROWERS IRKED

WASHINGTON (AP)—The government warns that part of the West Coast cranberry crop is contaminated by a weed-killer that can produce cancer in rats.

The warning brought a chorus of protests and denials from cranberry growers and crop experts. With Thanksgiving coming up in a couple of weeks and Christmas not far off they are entering their biggest sales season.

Arthur S. Flemming, secretary of health, education and welfare, told a news conference Monday that parts of the 1958 and 1959 cranberry crop from Washington and Oregon were found to be contaminated.

**Anguished Cries**

He did not say how much might be affected, or where it might be on sale. No reason has been found to suspect current crops from Wisconsin, New Jersey and Massachusetts, he said.

If the housewife can't determine where the berries come from and the year of the crop, Flemming said, "to be on the safe side she doesn't buy."

This brought an anguished cry

# Regrets Letting Youth Hold Bag

LEXINGTON, Ky. (AP)—Ulysses S. Howard, 88, of Berea, told police a boy offered to carry his bag when he got off a bus here Monday, and then ran away with the bag.

Its contents: a pair of trousers, two shirts—and \$25,000 worth certificates and insurance policies.

# FILM BID TO VAN DOREN

HOLLYWOOD (AP)—Charles Van Doren's acting on what he says was a rigged quiz show has led to a movie offer.

Producer Mervyn LeRoy says he wants Van Doren to play a prosecutor in "Wake Me When It's Over," a film he is making for 20th Century-Fox.

"It's time someone gave him a job that would pay a living wage," LeRoy said Monday. "I think, too, that he was a very good actor on all those TV shows."

Van Doren testified this month he was only pretending to have trouble answering questions on the now defunct "Twenty-One" quiz show. He knew the answers all the time, he said.

# Dedicate World's Highest Lock Today

FLORENCE, Ala. (AP)—The new Wilson lock on the Tennessee River, described by engineers as the highest in the world, will be dedicated here today.

The lock with other attendant features cost more than 38 million dollars. The chamber is 110 feet wide and 600 feet long. It is filled in 12 minutes with 50 million gallons of water, and emptied in 12 minutes more.

The lock was three years in construction. It has a maximum lift of 100 feet, making it the largest single lift lock in the world.

# from the National Cranberry Assn., which markets the crops of many growers under the Ocean Spray label.

"First," said Assn. Vice President Ambrose E. Stevens, "we can state that, of the best of our knowledge, all cranberries in groceries and supermarkets today are pure and wholesome and untainted by any dangerous substance."

"Second, we are shocked that the U.S. government has made public what we consider an inflammatory statement concerning possible contamination of cranberries by a weed-killer approved by the Department of Agriculture."

Stevens said Ocean Spray growers were instructed on Sept. 18 to stop using the weed-killer, aminotriazole. "Any crop suspected of contamination has already been isolated from the market," he added.

Two of seven 1959 shipments from the Northwest were found definitely to be contaminated, Flemming said. One is to be seized by the government, but the other has been distributed.

# BIGGEST A-SUB JOINS FLEET

GROTON, Conn. (AP)—The world's largest known atomic submarine, designed as an underwater "early warning station," today becomes a part of America's growing nuclear fleet.

With a dockside commissioning ceremony, the 447-foot, 5,900-ton Triton officially joins the Navy. Her skipper, Capt. Edward Beach, calls the Triton "the best and most versatile submarine ever built."

Beach, former naval aide to President Eisenhower, said the radar picket ship has the power to match its huge size and that "we can do just about anything that other nuclear subs now in service can do. And we can do some things they can't."

MILWAUKEE (AP)—Gerald L. Seaman, 47, producer of the National Broadcasting Company's National Farm and Home Hour radio program, died Sunday of a heart attack. Seaman, radio and television director of Bert S. Giltins Advertising Inc., was born at Redfield, Iowa.

## 3 easy steps to IMPROVING YOUR HOME

- Look the place over, and decide what repair or modernization job needs doing first;
- Call in reliable contractors, and get estimates on cost of labor and materials;
- Phone our bank and have us figure the low cost of financing the job "the bank way"—with an economical

# WHAT DOES THE LARK HAVE THAT THE OTHERS DO NOT?

IT HAS SIX BODY STYLES: New convertible, new 4-door and 2-door station wagon, hardtop, 4-door and 2-door sedan! Seven sophisticated colors. Handsome interiors appointed in distinctive pleated vinyls or cloths. Nobody else has them. Why settle for less?

IT HAS A POWERFUL, THRIFTY V-8 OR SUPER ECONOMICAL "6": The Lark V-8 topped all other eights in last year's Mobilgas Economy Run. Have your cake and eat it, too. The V-8 Lark (costs just a little more than the "6") offers all the advantages of new dimension cars plus potent performance matched to economy. The "six" offers spirited performance with greater fuel economy. Why be limited? Choose with The Lark! (Important! The Lark couples safety with power...V-8 brakes are biggest in field.)

IT HAS CHOICE OF THREE TERRIFIC TRANSMISSIONS: Automatic, three-speed stick shift, three-speed stick with overdrive. Lark automatic transmission has a full range of speeds. Lark three-speed synchromesh is smooth, and, with overdrive, the engine loafs at cruising speed, cuts your gas bills even more. Which one suits you best? The Lark offers this choice—plus a selection of 7 axle ratios—the others do not!

IT HAS MANY UNUSUAL FEATURES: Reclining seats that make into beds, front seat headrests, hillholder, Twin Traction (for driving through snow, sand, ice or mud), air conditioning, 4-barrel carburetor and dual exhausts...many, many more. None of the others have this wide variety of options from which to choose.

IT HAS PROVEN PERFORMANCE WITHOUT RECOURSE TO EXPERIMENTAL RUNS: 130,000 Lark owners have driven a total of over 750 million miles under every conceivable road and weather condition. Result is: no "bugs" to iron out, no "hidden" mechanical faults...no problems for new owners. Dealers and service men everywhere know The Lark. Studebaker-Packard corporate records clearly show that Lark service and maintenance costs are one third of the automobile industry average. How can you go wrong on that?

YOU'LL LOVE THAT LARK BY STUDEBAKER

COMPARE LARK PRICES...INCLUDING THE LOWEST PRICED U.S. MADE CONVERTIBLES, HARDTOPS AND 4-DOOR V-8 WAGONS

See and drive The LARK at YOUR STUDEBAKER DEALER'S today!
